EUROPE. NEWS BY THE ARAGO AND ANGLO-SATON.

merce. Sir John Ramsden has been appointed Un-der Secretary of War in the British govern-[From the Court Circular.]

The Orenthe london News, May deb. In 18 OFENING OF THE EXHIBITION OF ART TREASTRANT AT MANCHESTRE.—Matchester was voolerday the scene of an event almost unique in the history of art in England, or perhaps in the world. An exhibition of Art Treasures, never before equalled for extent perpulsus district of which Manchester is the centre.

The Royal train, which left London at 25 minutes past 11 octock, and Prince Athert descended and the enthusiastic fines abbert descended and the enthusiastic fines about the same district the same district and the same district fines was as immediately conducted by Mr. Watts, the Nayor of Manchester, to the carriage in watting for bim.

All the avenues leading to the Exhibition indiding were closely blocked; various open spaces in the neighborhood were completely exerted with masses of human beings, and the enthusiastic cheering of the populses, when Prince Albert at length arrived at the Paiace, certified the public approbation of the important duty which had brought him to.

It was rumored that a discovery had been and of a kreat consurracy to explode on the other of the consurracy to explode on the control of the consurracy to explode on the control of the consurant that the command the Spain sharty on the war with Mexico, and have been subtracked for Cuba.

Acce been appearate.

A truy in the war with Mexico, and the Army in the war with Mexico, and the Army in the war with Mexico, and the Army in the William of the Viet hatel difficulty has been published. As substance to already known.

The Positional Government has further remained the duty on textule fabrice.

The Continued Government has further remained with the duty on textule fabrice.

New York, May 16.—Per and the duty on textule fabrice. The Dained Ministerial difficulty continues.

The prehibition is removed on the export
of gold from Ressia.

Barrie from is the proceed to China as the
French Frempotentiary.

GIEAT BRITAIN.—The speech from the
throne is looked forward to with much interest. It is not the ward to with much interest. It is not the ward to with much interest. It is not the ward to with much interest. It is not the ward to with much in-

overed conspiracies.

Gonerals Santago, Medinue and Garrido and been designated to command the expedition against Mexico, and left for Cadiz to emulate for Gonerals Sanuago. Medinus and Garrido had been designated to command the expectition against Mexico, and lett for Cadiz to embark for Cuba.

The cext of the Queen's Speech respecting Mexico is applicated. It says:

The diplomatic relations with the Mexicon the diplomatic relations with the Mexicon make circumave been interrupted by diplomatic crimatic between the distribution of the distribution will be but a, but I hope the interruption will be but a, but I hope the interruption will be but a, but I hope the interruption will be but a, but I hope the interruption will be but a, but I hope the interruption will be but a, but I hope the interruption will be but a distribution to prove that they will not oblige by an internance that can deal the will not be a but a distribution to home the account of the such a different continued of the Nucleated difficulty has been published. The substance of it was previously known.

PHUSSIA.—The Upper Chambers has adopted the buil to probability a progress.

IT ALY.—The Sardinian Chambers are debating a proposal to remove the arsenal from Genoa to Spezzie.

The Lussian Treaty with Japan is published. By it the Japanese ports of Simoda.

The Dallas Clarendon TREATY.—The An-

And provided the control of the cont

THE HIAGARA'S NEWS. The Niegers arrived at Halifax on the 19th instant, with dates from Liverpool to the 9th instant. A dispatch in the 8t. Louis Republican, of the 30th, contains some interesting particulars of her advices;

The political same househ to his dispatch in the same forms.

The U. S. mail steamship Areas, from Havre and Southampton the inth. Lady Abburton died at Paris on the 3d maint. She had passed the last winter at Nice, and had reached Paris on her way to in England, having, as it was hoped, overeign the makedy under which also sank. Lady Abburton was the eidest daughter of the present Lord Abburton, then Mr. Bleep and the present Lord Abburton the Mr. Bleep and the present Lord Abburton the Mr. Bleep and the Paris of the present Lord Abburton, then Mr. Bleep and the Paris of Sandwich, and was married to the present Lord Abburton them Mr. Bleep and the present Lord Abburton the Mr. Bleep and the Paris of Sandwich, and was married to the present Lord Abburton was the eidest daughter of the present Lord Abburton was the eidest daughter of the present Lord Abburton was the eidest daughter of the present Lord Abburton was the eidest daughter of the present Lord Abburton was the eidest daughter of the present Lord Abburton was the eidest daughter of the present Lord Abburton was the eidest daughter of the present Lord Abburton was the eidest daughter of the present Lord Abburton was the eidest daughter of the present Lord Abburton was the eidest daughter of the present Lord Abburton was the eidest daughter of the present Lord Abburton was the lord of the present Lord Abburton was the lord of the present Lord Abburton the Lord Eggint Proprised and the state of the Present Lord Eggint Lord

consumer a public dinuer, which he declined.

Fortions of Spain are disturbed and Malaga
is placed in a state of siege.

Seven war vessels, under orders, sailed
with troops for Havana.

Further hossilities have taken place in Persia, and the city of Mahommerrah was captured by the British on the 28th of April.

The Frainame refreated in great disorder,
with a loss of 300 killed, and wounded, and
force amounts of ammunition and military
stores. The British loss was trifling. The
Carlo Community of the contract of th

at bank for money, very active,

The Herald publishes a call on the friends of Mr. Fillmora to organize for the campaign of 1860. The appeal asys:

The dismantled condition of the Democratic and Republican forces, and the great is sue which are operating to divide the people of the Union into two absorbing sectional parties, call for the immediate organization of a national Union conservative party to stand as mediator between the North and the standard of the most fresidential election. Many friend mediate organization of a national Union conservative party to stand as mediator between the North and the eight hundred this or the part of the Union, there is sail existing the part of the Union, there is sail existing the part of the Union, there is sail existing the part of the Union, there is sail existing the part of the Union, there is all existing the part of the Union, there is all existing the part of the Union, there is all existing the part of the Union, there is all existing the part of the Union, there is all existing the part of the Union, there is all existing the part of the Union, there is all existing the part of the Indian Control of the Scholler of the Constitution of the American National Convention of the shell should be under the Union of the tent of the Union is the part of the Constitution and the Union.

NEW ORLEANS, TUESDAY MORNING, MAY 26, 1867, By Telegraph. for the Overt and the duty on to declare. The first section declared a servicin and to be a order, and temporan a servicin and to be a order, and temporan a server peacity. The second centure de term than the offunded thail be tried by the Recorder, and spon invarigation, if found quity, shall be fixed and featurement. One this be done decement with the temporary rights of a climan? In the first place, it is not query rights of a climan? In the first place, it is not query rights of a climan? In the first place, to desire that it is the corporation of figur risess to desire that it is not query to the first place. itted to the New Orleans Bos. MORTHERN PRESENTERIAN ASSEMBLY.
CLAVILLIND, May 15.— The report of the
Massachusette delegate to the Assembly
shows some excitement in the Massachusette
linte Assembly in regard to sending delegates. The sause of the difficulty was
slavery.

ROBBER RECAPTURED.

OTROMERAT, May 25.—Buok McKinney, who broke jail at Madison, ind., has been recaptured at Greensburg.

CREEK SLAVE.

NEW YORK May 26.—Power's statue of the Grack Slave is to be said at auction on the 334 of Jane.

FAILURE.

New York May 26.—A leading firm here as a conference of the state of the BOBBER RECAPTURED.

and H. D. Newcomp passed inght.
Violencine, May 26.—The Capitol passed down at noon, the Scotland at 2, Crescent City and St. Nicholas at 3 this evening.

LOUISIANA France. The Louisiana Reptiet, published in Bien-rille parish, says, in its issue of the leih: The weather has been delightful for the last week.—just such as planters bould not com-plain at—iand is good price for the plow, and vestation springing on rapidly. Even the trees are putting on a green coat again, and in a few days will have a full summer oce-tume.

ame.
The Alexandria Democrat has the following:

phenomena.

The state of May, is wholly unaccountable upon any known principles of philosophy.

Lanes Braculatous is figurant.—On the receipt of the Amper Civic news, at this portion that the country of the Amper Civic news, at this portion that the country of the Amper Civic news, at this portion that the country of the Amper Civic news, at this portion is considered to the afternoos of the 14th that, from May, ana, the theory of a short crop of comparing the appropriate of the country of the co

tion and collapse will become imminent.

A Dermannen Strotte.—At the special train on the Fitchburg Railroad was entering the Depot at Concord, on Friday evening, a man was seen to run and two himself down immediately in frost of the segme. The cow-satcher, however, they him off. He recovered himself, was seen to run and to he hand to his head, as if injured, and then start upon the run, apparently in overtake the engine again. He did not succeed in deling about the run, apparently in overtake the engine again. He did not succeed in deling and the run the surface of the recovered himself, was seen the forward and hind trucks, and was run over and killed instantly. The man had been about the depot nearly all the day, taking and acting in rather an eccentric way. Towards night he frequently asked what time the train would come along. He start the seen of the seen and the police were after him. He was a forman, and had worked in a table had by or brase factory in Beach street, and he of the seen and the police were after him. He was a shout four dollars in his pocket. Dut so papers showing who he Exyteration or the Paper Duagn. This
