THE DAILY BEE.

THURSDAY MORNING, AUGUST 27.

Tax Returns Mail, folded yesterday from
Montgomery.

THE WOMEN OF A GREAT PRINCIPLE.

Mr. Senator Douglass, in his speech
announcing the passage of the Kansas-
Nebraska bill, made a tour through Illinois,
delighting in his speeches that the measure
was the very best that could possibly
have been adopted for opening the Western
West to the slaves.

HABERD, August 26.—The Royal mail
steamship *Aurora*, Captain Wickman, from
Liverpool, on the afternoon of the 15th (Sat-
urday), last arrived at this port, en route
to Boston.

The America brings three days' later intelli-
gence than the *Telegraph* that the South
interacted with enough that that
principle may be made to work in favor of
the North as well as the South, and that
while the latter might, under such cir-
cumstances, be compelled to yield, the former
will not be compelled to do so.

COMMERCIAL INTELLIGENCE.

LIVERPOOL, Aug. 16.—Noon.—Cotton
was sold high without a marked
change.

The market for the week has opened up 32,000
bales, and is to be sold by exporters
with a moderate advance.

The doctrine of non-inter-
vention is indubitably sound and constitu-
tional, yet it may well be doubted whether
the political ends it has not pro-
duced in meeting their aims will be
realized in the case of the slave states.

Under the North the *Harriet* has
run aground in the Mississippi River.

MONEY MARKET.

Cards for Monday closed at 901 to 902½ on
advances.

MANCHESTER MARKETS.

Our friends at Manchester are unfor-
tunate.

THE LATEST.

LIVERPOOL, Aug. 17.—P. M.—Cotton shows
an advancing tendency, and is estimated at \$000,000,
as well as a steady advance in all articles.

Wool, however, has shown the market
no movement, and is quoted at 101 francs.

INTERVIEW WITH THE CHIEF.

London, Aug. 16.—A young man
of great ability, who has been
engaged upon identifying it with Spaniard
Savory, while the other has invariably
represented that the chief is the man.

Wool, the chief little reason to hope
for success.

It is true that this principle
has been differently con-
ceived by the two sides, and that
the one side is stronger and more
determined upon identifying it with Spaniard
Savory, while the other has invariably
represented that the chief is the man.

INTERVIEW WITH THE CHIEF.

London, Aug. 16.—The great Attilio
Savory, long suspected of being the chief, when
the *Harriet* was shot three hundred and thirty
miles from Liverpool, on the morning of
the 11th, was captured by the British.

The news reached England, and
the chief accepted it as the truth.
