anothing was reserved by Islegraph at South Ampton respecting her, from ... which it is in ferred that she sailed from Liverpoot, as ad-sertised, on Saturday, the 24.

The stampatip Pulton, from; New York, arrived out on the 24. RELEGERATEMEN.

HEW TORK, September 17.— A serious strike was made to day by the large number of workmen engaged to the Eric Raitrosat temes), at Borges, to the Eric Raitrosat temes, at Borges, and Jersey.

The root was blockaded at several points, and allibe trains stopped.

The regular Western through mail, which left, Hew Tork at the ustal time, had to be sent back to New York, and was sent even Eudem River Raitrosad, via Albany.

Two regiments of the New Jersey militia had been ordered to proceed to the some of he riot to prevent the destruction of proparts.

the riot to prevent the destruction or property.

Postumarier Fowler, of New York, has also made a requisition on the Government for troops to protect the United States mails.

New York, September 17.—A violent storm passed over this city to day, doing considerable 4, w. zer to the shipping in the harbor and property in the city.

The back Mary Ellen, from Buence Ayres, forgood for suchers and run ashers on Governor's island.

A the curry warehouse in course of ersection on Duane street was blown form, demoiting the house adjoining, and buryling the Donater any sum of the sailor.

The weather was cool, and there was scarcely any sickness on the lained.

The sugar market was sugmant, and freights and exchange were dall.

tenants in the ruine. New York, September 17,—The steamship, Arago, of the Havre line, sailed to-day for southampton and Havre, taking out \$619,000 is specie on freight. Wassirows, September 17,—After saveral Cablest meetings her installations with General South upon the subject of the military.

The Seried Conference.

A dispatch dated Zurich, August 27, says or the last few days there has been no conference of the Pleshpetentiaries. It is bested they will be embled to quit Zurich it the latest, in a fortnight.

On Bunday, the 26th, the Austrian services Plesipotentiaries held a private ser Cabinet meetings by situalitations with themeral Sociut upon the subject of the military occupation of the Island of San Juan by the Linited States troups, the Administration has decided to send deneral Scott with instructions for the settlement of the difficulty, and he will leave immediately for the Pacific. tions for the settlement of the difficulty, and he will lears immediately for the Pacific.

Br. Lovis, September 17.—The Denver ety diverse newspaper states that the returns of the election in that section, so far as heard from, show a majority of 5333 against the State Constitution, and in favor of the centurance of the Territorial organization.

Accounts from the mines are not so chesting. Numerous miners were learing the minerature, of the transfer of the minerature. The strategier of the fault is attributable to the Plenipoter transfer of the trans

above to raise the river.

Mr. Loria, September 17.—George U. Atherton, who was convicted of having embezzled \$53,000 from the B-uthern Bank last April, has been sentenced to five years' hard labor in the Fententiary.

Chricaco, September 17.—Another race ramp off to day for the Chitzens' Purse of \$1000. It was won by "His Cook," a Chicago horse. Time, 2:28.

Flora Femple and Princess were not entered for this race.

Chricaco, September 17.—The much-talked of billiard match between Phelan and Tieman was concluded to day. The elections throughout nomagns me taken place with the greatest tranquility and order.

The official Pledmontese Gasette gives

was won by Pheian.

Saw Yosz, September 17.—In the United
States Creut Court to-day, L. Howe ob-tained injunctions on the Sewing Machine patent of 1846, against Charles H. Muller and James W. Dutton. him, and proceeded, pugnis pedivided in the conductor him, and proceeded, pugnis pedivided in the conductive serior the car, impelling his swifting from the card from the c seurs of the Alps. In an order of the day, he says:
"I will osuse to be shot any one who calls bimself a Mazzinian, a Republian, a Social-

agen their territory. The treaty in relation to the bland of Russian, and the surrender of the Misequito profectorate, it is believed, will be satisfactorily settled by Mr. Wykes, the new British Minister.

New York. September 17.—Advices have been received at this port from Port au Prince to the 5th instant.

Two days previous to that date the daughter of Presedent Geffrand was shot dead while

can mail has arrived at independence with advices from Santa Fe to the 28th. Public attention was entirely absorbed in the cauxass for delegates to Congress from the Territory, and the political excitement was intense.

The army and the Americans generally specificity witing to steal the

three particulars may not be without interset.

And first, a word about the Press. There
is no distying the fact that Hew York own
her prosperity to the intelligence of her people. This finishingsone is due to the facility
with which it is disconsinated. The press
has been its principal medium, and what
ever may be its otherance in fact, it has in
the abstract moulded public opinion at hemse
then, and of the freshest chardeter, and oreside, and appeared to the people a desire for imbrantice, and of the freshest chardeter, and oreside a throbbing, agraest, working sublice
in the boson of Svery man, woman and child
to keep their lose well up to its mark of he
man progress. A newspaper is an escenary to a Hew Yorker as his breakfast, and he
dives into it with an avoidity, and through it
with a rapidity that marks every action of
his life. It is a moral hadrough it with the widely, and frough
the tire of the reshest of the people of

were may be its character in fast, it has the the sherical moulding public options at a bean at abroad, clarified the moral atmosphere, injuncted to the people a desire for information and an advanced, clarified the moral atmosphere, injuncted to the people a desire for information and the people in the bosons of livery man, rooman and child the theology of the people in the bosons of livery man, rooman and child the many progress. A newspaper is an escenarior yet to a flaw Forter as his breakfast, said be you also seen to the bosons of livery many per its are necessary of the first his arrest the gibbs, and from the life. It is a meral helicox which in one hour carries his arrested the gibbs, and from this life. It is a meral helicox which in one of a seed and the language of the coulting to the cultivation of redisement and taste. Autoog these the names of "Harpers," "Enterbookers and "Great Republic Monthly" are perhaps the most hamiliar, in all of which the production and its many desired the production of the seed of
