A STARVING THEASURY.

Our Gervernesses is put to now straits for want of money. Mobody deabts, every body seek that the revenue is inadequate to the exposers. The latter would esheed even in cordiant rescence the income of the Titus and the exposers. The latter would esheed even in cordiant rescence the income of the Titus.

From Havana there is nothing remarkably received as hand has been by the marked diministion in the importance decay considered the United States are burdened by a citracrellanty advantitions exposers, where the present of the William of the States of the United States are burdened by a citracrellanty advantitions exposers, where the William of the States of the United States are burdened by a citracrellanty advantitions exposers, which is the state accounts too truly descentivate, and the state of the Company of the state of the Company of the Company of the Company of the State of Practice and the Company of the Company o

won't do pay one obligation by incurring a greator. This sort of political soonomy will bankrupt any nation in the long run. Permanent relief to needed. Can the income of the Government be augmented 10 of corres, by a modification of the tariff. This iff. Becausan has seese enough to perceive, and honsety enough to recommend; but Mr. Cous high Beoretary of the Treasury, rings to bear his Democratic insanites touching free trade, and will not hear of specific duties, or increased raise of taxation. Mr. Cous thinks we should reduce the expeditures, instead of enlarging the revenues of the Government. Very good! We chestrated the commendation, but can the disbursaments be abstracted to the commendation, but can the disbursaments be abstracted to the commendation, but can the disbursaments be abstracted to millions, or even five millions? Hardy, nulses Mr. Corns. together with his more practical and the company man. At all events it will not of isself extending the revenue in the company produced the propriety mail. At all events it will not of isself extending the propriety mail. At all events it will not of isself extending the propriety mail. At all events it will not of isself extending the propers of the company produced the propriety mail. At all events it will not of isself extending the propers of the company produced the propers of the company produced to the company pro

e might imagine from the tone of certain hers of Congress that the Treasury was is a condition of unexampled plethors. Here it he Hon. John Shiders, coolly proposing to propriate thirty millions or normal and a effort to purchase Cuba—a thing which knows to be impracticable with ten time

How long will the people continue to be footed?

RALKOF THE MCDOWGEE ETATE TO DAY.—
OUR readers are reminded that N. VIONIS.
City Austioneer, will offer for sale at public auction to-day, at 12 o'clock, at the City Hotel, corner Common and Camp streets, the whole of that portion of the seate of the last Jose McDowces lying within the limits of the Pirat District. It includes a very large amount of improved and unimproved readers are the property will be sold, offers a most sligible opportunity for the investment of capitalists, whether of ampie or of limited means. Should the sale not be entirely conmeans.

RABBY, THE HORST-TARES, AT THE ASPECTMENTER—At BOOD ON Tuesday, Rarey, the great horse-tamer, will give a specimen of his science at Spalding & Rogers's Amphitheatrs, (in connection with the circus per-World, it seems, were fond of similar exhib tions when given by the celebrated brother of Mr. Rarey, and we take it for granted that the fair once of the Crescent City will crowd the Amphitheatre on this occasion.
