New York Cerrespondence.

New York (Narch 26, 1852)

The steamship Georgia which left day before yesterday for New Orleans (with the U. States malls and Adams & Coi. Express freight) took 150 California passencers to be transferred at Havana to the Steamer Falcon by which they will be conveyed to Chagres. The steamship Philadelphia, having been here a few weeks for Philadelphia, having been here a few weeks for repairs, is very unexpectedly amounted to teave for New Orleans on the 30th instrumt.

The new and heantiful steamship "U. States, belonging to Messrs. Davis, Brooks & Cois." New York and San Francisco line," will take lier departure for Chagres to day with every beeth filled. At Fanams these passengers will be taken on board the Company's Steamship "Wmiffeld Souts." Another new and substantial steamer belonging to this line, is named very appropriately after the preas Spanish disarowers. "United." She is shortly to make her maden trip from this port.

The reported arrest of Palmer A. Co., the swindlers in California tickets, was unitra-as yet they have comperied to this morning. However, as yet they have been differed the morning his port.

nature Haidd, has been offered this morning, the police may think it worth while to arrest them.

One part of the came played by Palmer & Co. was to obtain of the awarest here: 200d Hiskis as lar as Chagros, and them manifestare tickets for the far more important and expensive ball acre of the way. Handred of these good and bad tickets they palmed upon the uninitiated and hauded in thousands of dollars. Their victums, of course could get no further than Chagros with the televist thus obtained. I speak of these thines, at the risk of repetition, because the imposture is really disastrous for many young men, and some of the persons thus awindled have returned to this port pennities, and are dependent upon charity for their delty among the centrely innecessed in the owner themselves, for the palmer of the opinion of ignorant persons because they have repudiated the spurious tickets on the Pacific side.

Samuel Coit, the inventor and mountarturer of the tamous travolvers, bas hitherto had his works in Hartford, but he has recently our

and, accomplaining the copacity as we will accomplained the first time of twe rety-sucht days. She se detained at this latter port daring the Child are recolution. apidly approaching to its termination.
Therefore, he it resolved.
That all standing committees of the House of Representatives, be instructed to report back to the House on Monday 13th inst, all matters referred to them.

tien, and that the success of that great and partriotic emerpies deonly involves the best in terest of the State, therefore,

Be it resulved, &c., That our Senators in Congress be instructed, and our Representatives requested, to use their best exertions to promote the success of that great enterprise.

First. By arging on the idenced thought of color, with their consent, from the United States to Liberta, in Africa.

Siconal. By using their best efforts to promote what is usually called the "Khony Line," in transporting the free people of color to the Republic of Liberta, and to increase the commercial facilities between the United States to the Republic of Liberta, and to increase the commercial facilities between the United States and Westers Africa, through the medium of Liberta.

Resolved further, That the Governor he requested to forward to our Representatives in Congress, a copy of these resolutions.

The rules being suppended, and resolutions were adopted. The concurrence of the House was asked to the following bills of the Senate:

An act relative to the trial of certain recussed cases in the 19th and 17th Judicial districts.

An act to provide for the usin of a portion of the awaring and overflowed lands granted to the State by act of Congress, and to appropriate the proceeds therefore, and the proceeds therefore, and the proceeds therefore, and the proposition of the same in the proceeds the same accessage the House was informatical than the House had appointed a committee of conference, on the bill estitled.

An act to provide for the execution of slaves and free persons of color, and that the President had appointed Mears. Phillips, Martin and darders, on the committee.

The House was informed that the Senate had concurred in the amendments of the House had active. MESSAGES FROM THE SPNATE. The rules being suspended, and resolutions were adopted. Mr Cole introduced the following resolutions: Be it resolved, That our Senators in Congress be instructed, and our R presentatives requested, to use their best endeavors to have a mail route established from the town of Bayon Sara in the parish of West Feliciana, to the town of Jackson, in East Feliciana, to be carried in two

mendments.

Mr Lumsden on behalf of the committee o

Craine.

Referred to the committee of the whole.
Readations relative to a road from the sissaper river to the Varheres actilement Tubodeaux.

On motion, laid on the table.

bine river.
Reported the same back, unfavorably.
Mr Richardson on behalf of the committee of
public lands to whom was referred the bill of the

consideration of the natter for an experience commending that some uniform system for the remaineration of the several parishes be deviced at a future day.

On motion, the report was adopted.

Mr Sever, on shadil of the triesan delegation, rejorted the following but.

An act to establish and regulation Board of Port Wards and the stable of the second and for the Wards of the same Surveyors in and for the Stableson.

Mr Bullips on behalf the select committee make a region, that it would require more time to make a correct exhibitation of the rejort of the commissioners, approved by the act of all December, 1949, the consolidate and revise the statutes of the Bate, than the remainder of the session sufficies. That they approve of the materies in which the laws of the State of a general nature have been arranged and discussed. From the leval sublity and character of the gratieness and the state of the participant of the state of the season states, our committee have been when the resistance of the season and the state of the state o

and the Control of the reserved commendation that a further sum of \$1,500 be allowed as compensation to the life for the compensation of \$1,500 be allowed as compensation to all for earn alaxi, imposed by the act of 1950, incidental expenses &c.
