discovered, after the warrant had been;
ing that downwarrant The Supreme
contend, were counterfeits, and upon make,
ing that downwarrant The Supreme
Count has a warrant had been;
ing that downwarrant had been;
ing that downwarrant had been;
ing that downwarrant had been;
ing that the sea warrant had been;
ing the supremental to the property of the couper,
ally for the money. The greaten of the
suit are that although the Anditor had
suspicion of the graineouse of the coupons within a week after he hanned the
warrant he toek no steps to indeem pegitioner or the public, until September 1st,
1870. That the Anditse explitited want of
akill snd prudsines in itselling the warrant,
and pepifoncer parkines the same in
good faith relying upon the correct and
proper performance of the official dutter. AMS-PER TEAR. 1970. That the Anditse exhibited want of skill sud prudesce is identified the warrant, and applicaters parelimed the same in good fath relying upon the correct and proper performance of the official duties; of the Anditor. The coupons for which the warrant was issued were part of those were tried come months since in the Pinst District Court. Triope See a view some months since in the Pinne or District Court.

Said Agoinst a Steemhoat for the Value of Court, Mrs. Ellen Ysnam del Valle and ther husband have cuts and against J. Steemhoat the Valle and the runband have cuts and against J. Steemhoat Court, Mrs. Ellen Ysnam del Valle and the runband have cuts and the property of the first thought of the production of the Steemhoat Court of the Richmond, for a point near Natches; and the Richmond, for a point near Natches; that they were given rooms in the greatless that they were given rooms in the greatless that they were riven rooms in the greatless that they were given rooms in the greatless that they were given rooms in the greatless that they were allowed on board the boom with the they were allowed on board the board with the theory were allowed on board the board with the reached, her destination has stated for the rooms was entered in the night to the product of the strength of the state of the strength of the strengt Supplies Cut Off from the Inby payment in greenbacks, ex-ir value at the time of payment. Arrangements to Pay Germany 500,000,000 France Down. sad the majority may be in favor of reversing the decision. If the two new Judgea-Strong and Bradley—units with the dissenters, there will be a majority of one in favor of the constitutionality of the greenback acts even as applied to contracts entered into prior to their becoming laws.

The argument was to have been heard on Toseday last, and it is stated was to have been confined to the following points:

1st. Is the act of Congress known as the legal tender act constitutional?

2d. Is it valid as applicable to transactions since its passage?

1st. Heary Commercial Case.—The case of the family having taken any step to proceed the prisoner. Lanifesto of the Paris Commune ____ HOME NEWS.
