

THE BEE.

PRINTED AND PUBLISHED BY JEROME BAYON, DELAUF & CO.

NEW ORLEANS, LOUISIANA, THURSDAY (MORNING) NOVEMBER 20, 1850.

LATE FROM COLOMBIA.

We extract the following from the Bulletin of the Ministry of the Interior, dated November 14, 1850.

The following are the details on the position of the Government of Colombia, and a copy of the decree of the President...

FROM LATE FOREIGN PAPERS.

The following is an extract of a private letter from Paris received in London: Prince Palmaria has communicated to the Government...

The Neapolitan Government has lately sent a body of troops into the Abruzzo, and the Duke of Andriano...

March of Intelligence.—This is a true march of intelligence. The following is an extract from a Liverpool paper:

It is said that a new telegraphic system is about to be established in France, which will be at the service of the public...

There is in the Netherlands.—In Belgium every thing is in a state of great excitement...

The deficiency in the Revenue for the Quarter ending on the 10th instant amounts only to £188,834...

It is addition to the drags which were to be thrown into action by means of the boiler which is proposed...

Emperor of Russia.—The present Emperor of Russia is a man of great courage, and doubtless, great abilities...

and, this day, others in an increased proportion. A witness related to me the manner in which...

George the Third, in fifty-three years, advanced two hundred and thirty-nine commodes to the passage. His successor, as Regent and as King...

A merchant who died at Liphams, and left a large sum of money, was so great a niggard...
