Saturday Morning Oct. 19, 1850.

The Northern Mail came through yesterday, but many of our exchanges are missing.

Tehuantepec Project.

The public mind at present is intently fixed on this important subject. A general conviction seems to prevail of the bearing which it has on the future prosperity of this city, and of the efficacy as a means of bringing into full development the resources of the whole valley of the Mississippi and western sections of our country, and as to the early consequence, enlarging in ... the commercial importance of New Orleans as the great depot and centre of this design ... We await, therefore, with much ... the report of the committee, which was ... expected shortly. We trust that this report will ... confidence and perseverance—giving ... only the result of all the information the committee may have obtained, touching the practicability of the undertaking, and such recommendations as will enable the people to form for ... a correct appreciation of the scope, ... and certain results of the enterprise—... the convert's digested plan, a regular and ... plan of the work to be accomplished. Such a report will benefit the proposed object, and will induce concert of action and promptness of ... cess.

Indeed, the appointment of a Committee was made with a view of devising means for the re... of the great scheme, which had already aroused general attention and enlisted a large share of public favor. The faithful exertion of the important duties confided to that Committee will ... them to the special acknowledgements of the citizens. Should the present ... clearly demonstrate a feasible plan, ... and confidence in the safety of investments, ... the capability of New Orleans to ... the emergency without inconvenience of ... to herself, to take evidence into ... and to ... with the munificence and ... that ... to the undertaking, ... a session of Congress, ... Legislature, ... Committee will have achieved a labor that would be hailed by the community with ... and applause. And all this, we ... will be made manifest, when the report is ... We have hitherto said but little on ... subject, being unwilling to influence the ... of our readers, or to advance ... as to what the data to justify us ... information recently obtained, we ... them in full as ... made.

... nothing to be assured of the cordial ... of the Federal Executive and of ... assistance of the Government, so far as it ... be rendered, has already been given, in an enterprise ... of the ... —indeed, as we are assured, ... brought the recess of ... of the Louisiana Congressional delegation ... These were in fact locked in ... session at ... on the ... and the senate at ... on the ... session of the extreme ... grants held their ...
