Lesen Bearbeite

Hallo!

Ich bin seit 2570 Tagen unter dem Benutzernamen HAL Neuntausend in der Wikipedia aktiv. Vorher war ich schon eine Weile als IP unterwegs. Meistens bin ich in der Eingangskontrolle zu finden. Hier ist meine Sammlung von Links, die irgendwann einmal nützlich sein könnten.

#### Welterbe [Bearbeiten]

Mein Standpunkt zur Welterbebewerbung:

Wikipedia ist zu Industrienationenlastig. Artikel über die 3. Welt sind oft schlecht wenn überhaupt vorhanden.

Man vergleiche mal Bamako und Luxemburg, beides Hauptstädte, die eine mit 1,8 Millionen die andere mit 100 000 Einwohnern.

Wenn ich die

Wikipedia & in Bengalischer Sprache 215 000 000 Sprecher 22 269 Artikel

mir der

Wikipedia @ in schwedisch 10 000 000 Sprecher 395 516 Artikel

vergleiche kommen bei

Bengalisch auf 9654 Sprecher pro Artikel.

Bei

Schwedisch sind es 25 Sprecher pro Artikel.

Solange diese Missstände so groß sind ist Wikipedia nicht Welterbe würdig.

### Raymond – Raymond Spekking

In the Middle of Nowhere r mir sagen kann, ob es für so eine Figurengruppe mit Madonna einen speziellen Namen gibt, erhält einen Keks extra

r hier nicht zu Gesicht bekommt. Ich stelle zudem die verwegene Behauptung ) Typo im Artikel akzeptiert/entschuldigt als gemeinen Vandalismus.

uriert zusammenzustellen.

	I was an expat during the time I lived in Japan. I spent a lot of time visiting cool places such as Itsukushima Shrine, Hondöri, Et the Kurobe Gorge, Shōbara, Miyoshi, Mihara, Kure, and Tokyo. Hiroshima has some amazing things to see, including the Hiros saw the original <i>The Persistence of Memory</i> by Salvador Dali) and Shukkei-en (an amazing and peaceful garden which is right r				
	I also highly recommend that anyone who can get there should visit the Hiroshima Peace Memorial Museum located within the park also contains the Hiroshima Peace Memorial (or "Atomic Bomb Dome"), the Children's Peace Monument (which is often d statue in honor of Sadako Sasaki (also often draped with origami cranes). You can also visit the Hiroshima National Peace Mer Victims there. The Hiroshima Peace Memorial Ceremony is held in the park every year on August 6, the anniversary of the ator				
	I rode trains regularly on several different lines, including the Geibi Line, the Kisuki Line, the Fukuen Line, the Hiroden Main Line Hiroshima), and the San'yō Main Line. I created and expanded many of the articles on the stations of the Geibi Line (as well as was (don't know if it's still there) an awesome homemade ice cream shop about 20-30 minutes' walk from Bingo-Ochiai Station. manjū), Hiroshima-style okonomiyaki (the best kind!), and most kinds of sushi.				
Completion and	After absorbing all I could of the culture during my stay, I returned to the untamed wilderness of the wild, wild west. I currently e including anime, manga, most Japanese food, and trains. In fact, I like Japan so much, I made a WikiProject for it.				
Agnes Lum was the perfect first Clarion	I also enjoy working on an eclectic mix of other topics, including artists William Bliss Baker, Arnold Friberg, Adalbert J. Volck, I Stephan Martinière, poet and author Michael R. Collings, critic and author Gilles Poitras, author Toren Smith, and cultural anthr on Girl, and I love the styling of Karatsu and Kutani ware.				
			ths of a lot of work, most of it done by myself (though out there), and reading in general. I have a strange fonc		
	editing online material in order to make it b ser boxes page and see what's already the		nd taking pictures and making images for Wikipedia. I		

Stuff I helped with: 

#### Fæ

## History

- Set up in September 2004 with info-en, infode, press-de and wm-de
- followed by foundation, it, nl, fr
- Chapter communication
- Volunteers, staff, chapters

#### stats

- active agents 553
- used queues 268
- 592,742 tickets (from January 2009 until July 2011)
- In info-en from January until June 2011: 17409 emails/tickets were created/received Averages to around 2900 a month Averages to about 97 a day

#### stats

Permission-commons
 From January 1 until June 30 of this year:
 2817 tickets have been closed over this queue
 Averages to around 470 per month
 Averages to about 16 a day.

## What are they doing?

- questions about Wikimedia Foundation projects
- questions about which License to choose
- reports of article errors
- issues with biographies of living persons
- issues with corporate or organizational profiles
- complaints of vandalism, misinformation, or bias
- inquiries about re-using text or media
- requests for help with editing
- general information requests
- compliments and feedback (sometimes)

## How are they organized?

- language specific queues
- mailing lists
- Wiki

### How are they working

- 5 pillars
- respecting project-specific rules
- templates
- single-handed

## What can help them?

- subsidiary training
- cultivate communication skills
- legal advices
- updated software
- more collaboration, more interaction

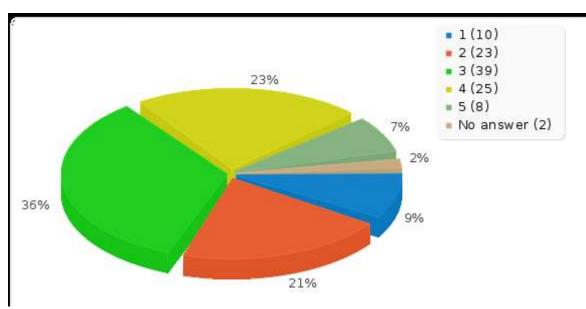

## Unvisible heroes of Wikipedia

- protecting projects
- preventing damage

# Thank you!!!

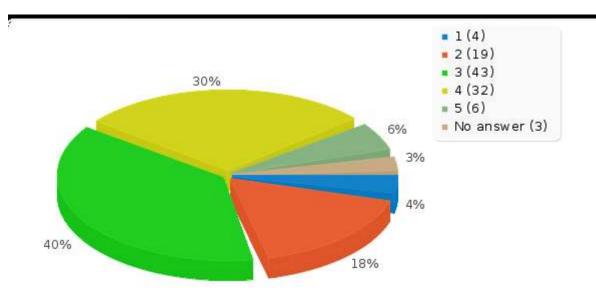

#### Software

 Thinking about the current system, please rate the following (1 being "not very effective", 5 being "very effective") :[Software]

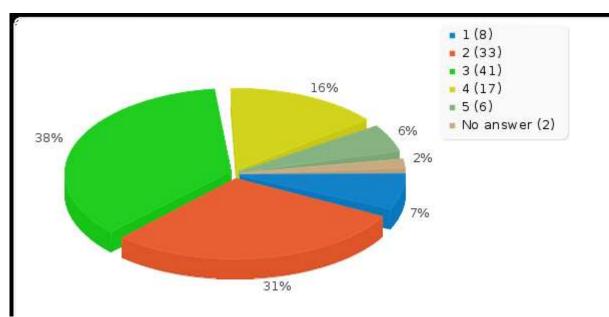

#### Procedures

 Thinking about the current system, please rate the following (1 being "not very effective", 5 being "very effective") :[Procedures]

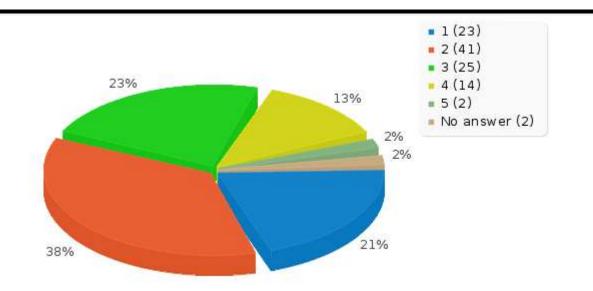

#### Recruitment

 Thinking about the current system, please rate the following (1 being "not very effective", 5 being "very effective") :[Recruitment]

## Training

 Thinking about the current system, please rate the following (1 being "not very effective", 5 being "very effective") :[Training]

### Amount of agents

 60% of the agents say that there are not enough people answering OTRS emails

### Feedback

• 70% of active agents would be interested in receiving regular feedback on their responses

### Stories

• Tell us about your experiences!

## Workshop

• What can we do to induct new agents better into the working environment?

• What training would help in the daily work?

What skills and abilities are required for agents?
