HIND RATTAN 2010 AWARD TO DR. GAURAV PRADHAN

The Chief Executive Officer and CIO of Timetunnel Consulting, South Africa Dr. Gaurav Pradhan was awarded with “Hind Rattan Award 2010” by Mr. Vilasrao Deshmukh, Union Minister for Heavy Industries and Public Enterprise, Government of India at 29th International Conference of NRIs.

This prestigious award is being presented for his outstanding services, achievements and contributions in IT Industry globally and keeping the Flag of India high. He is the first NRI from South Africa to be awarded this prestigious award.

Dr Pradhan was honored with this award on the eve of Republic Day, 25th of January 2010, at a glittering function in the presence of dignitaries from all over the world at Hotel Lalit, New Delhi.

Dr Pradhan has distinguished himself as an Entrepreneur, a Management Consultant, an Innovator and a world class Indian Professional.

Keeping in view his contributions in IT, teaching and research in ICT Industry for more than 19 years, he was appointed as advisor to many African Government and Companies.

Research accomplishments of Dr Pradhan include Green IT, Micro Generation and commercial projects running on off Grid Power. In his career of 19 years in more the 50 countries, He was involved and headed some of the biggest IT project.

Dr. Pradhan designed the Timetunnel Green View and Timetunnel Unified Banking Engine. Both these solutions have near zero carbon foot print and the TUBE can empower millions of people with affordable world class banking.

Recently he was heading the South African Railway IT project. It's a matter of Pride and honor that the same Railway which threw away our own Mahatma Gandhi had to hire an Indian to Implement SAP.

At present Dr. Pradhan is based in South Africa and working on off grid based green IT, Micro Generation for urban and rural. He is also working on the world first off grid Green Sport Complex project. His passion and mission is to light every village in India and make Golf affordable to every Indian.

Dr. Pradhan, a keen golfer was born in a small town Bareilly, UP, India. His detailed profile can be downloaded from www.linkedin.com/in/gauravpradhan.

If you'd like to have more information or to schedule an Interview with Dr. Gaurav Pradhan, please contact Rita at rita@timetunnel.co.za
