

GLAMCamp

May 2011 · NYPL

Public Workshop

A 2 hour workshop for cultural sector professionals and students.

(<http://glamcampnyc.eventbrite.com/>)

Friday morning

Presentations and reports

Leaders in the Wikimedia-GLAM movement give presentations.

Saturday afternoon

Planning the future

General discussion on where we are, where we're going and how to get there.

Sunday afternoon

WIKIMEDIA
OUTREACH

Welcome!

Welcome to GLAMcamp NYC, the first ever GLAMcamp!

Over the next three days you will hear presentations, take part in workshops and improve content.

On Friday and Saturday, we will be in SIBL, the Science, Industry and Business branch of the NYPL. On Sunday, we will be in the Mid-Manhattan Library.

This conference is being attended by Wikimedians and museum representatives from all over the world: North America, South America, Europe and Australasia.

The conference is about discussion and collaboration, so please speak up, ask questions and participate!

F R I D A Y

Education

- Creating documentation for procedures/policies & existing forms of projects so they can be replicated elsewhere.
 - Writing documentation (Wikimedians)
 - Writing case-studies (GLAM reps.)
 - Writing/Developing/Revamping instructional manuals and how-to guides
 - Batch uploading
 - Organizing Wikipedia Takes ____, Wiki Loves Monuments, ... events
- Developing the "GLAM ambassador" and "in residence" systems to provide local assistance.
 - Rename to "GLAM e-volunteer"?
 - Policies/process for approval/listing of new positions
 - What support do they need/can we provide
 - Where do chapters fit?
- Developing a taxonomy of GLAM ambassadors/Wikipedians-In-Residence and Volunteers/Interns/Professionals in GLAM work
- Improving mass-upload to commons partnerships
- Improving reporting metrics on GLAM-Wikimedia collaborations.
- Including Public Domain Calculators in commons upload process.
- A Better "share" system - especially including QRpedia codes, short URLs, and embed widget.
- ISBN usage checker
- Other GLAM tools needed?
- Improving the look & feel of glamwiki.org
- consistency of GLAM project pages (on WP, on Commons)
- Systematizing GLAM one-on-one online collaborations and public-facing outreach pages
- Discuss viability of hover-text-attribution for multimedia
- Developing a Free Culture Index rating system to assess how free-culture-friendly a GLAM is (could create an award)
- Can we provide a place in the reference desk for professional librarians?
- Learning from the Campus ambassador and education projects
- Building on commonalities of museum/library, and analogous university outreach
