## What Else Do You Need To Connect With Us?

**Pakistan Cargo Services PVT Ltd** is a name known in the community of supply chain & logistics in Pakistan since 1984. The organization was incorporated in famous exported and cultural city of Sialkot as freight forwarding company.

Our greatest asset has been our dedicated staff of employees. The motivation, perseverance, loyalty and willingness of our staff to strive for excellence have made it possible for Pakistan Cargo to compete successfully in the global marketplace. Our teams are committed to make a difference and achieve excellence in customer services that resulted in recognition of IATA to enlist PCS in top three freight forwarding companies of Pakistan for the last fifteen years.

The freight forwarding wing offers the complete air freight forwarding & Sea freight forwarding, custom clearance, packing, warehousing and transportation services both for imports and exports worldwide. To facilitate the customers for trade with India in particular and rest of world in general PCS has established its own branch & warehouse in UAE maintaining its service quality under the care of a logistic control and inventory management team. PCS provides special freight forwarding & consultancy services for the transportation of freight for Exhibitions and trade fairs.

PCS has a dedicated customs clearance department, which completes all import, transshipment and export paperwork for its customers. In addition to custom clearance we also offer consultancy services to the existing and new clients. Areas of advice include VAT, duty deferment, community transit, electronic and simplified procedures and new legislation.

The shipments from customer's warehouse are picked up by us and we do consolidate this shipment with other shipments for the same destination. PCS has big volume of movement to every part of the world so this provides the special edge to the customers regarding the low cost and quality services. .. Only PCS can offer this service because we have huge volume movements, dedicated staff & care of customer's cargo.

Pakistan Cargo Services is amongst the biggest Transport & Logistics companies in Pakistan, catering to the complete range of transportation needs of our customers with the infrastructure spread nationwide facilitating the customers in every possible manner. Our state of the art facilities and Services are available for transporting the goods from their port of origin, across oceans and to the final port of destination in the fastest, economic manner possible.
