The Clayists both in Ohio and New York have failed to nominate an electorial ticket. The January and anti-masonic tickets will have to contend against each other in those states. Without New York and Ohio, what becomes of Me. Clays prospects? They "vanish into their air." Why should the Clayists of Louisiana fight a battle which their friends in two of the leading states confess to be hopes

It will be seen that several important arrests had taken place in Baris. M. de Chateaneriand, the baron Hyde de Neuville, and the dake de Fitz James, are among the per-

It was removed that the Front ministry, encouraged by the favorable demodstrations of public opinion, had resolved on a dissolution of the chamber of deputies.

The duchem de Berri was supposed to have made her o cane from the country. It is now stated that St. Jean d'Acre surrendered at discretion to Ibrahim Pacha, on the 26th of April, and that a safe residence in Egypt with an annual facome of 75,000 piastres, had been assigned to the governor of that fortress.

The marriage of king Leopold has been postponed.

The cholera was increasing in Liverpool. New cases on the 19th, 43; deaths 8. From the commencement, 836 cases, 112 deaths

ocols are published. It is stated that another of a more decided character had been agreed to, which letimates that if the Dutch should inflict any injury on Antwerp, the damage-shall be deducted from the 8,200,000 gilders which

the place of Telleyrand, had arrived in London.

partial jury of the vicinage. Lee. This feither gives. Cours as Scauzzanian Beforing to the recent elliating the members of the boly alliance with all lower prohibits either of those mode of proceedings departure of this distinguished individual for Burnpe, convenient speed and diligiance. All the existing treations believed the state of the state of the existing powers, not even mone use. The matter than seems to rest where widely agestions:

some attention at their next session.
It is not of what has been, but of what hay be done, that I complain. It is not likely that we shall always have such upright and honest officers as those with whom we are at present favored; but.

"There may come a day of gloom."
MENTEITH.

To the editor of the Bee. SIR: Passing along Jefferson street, the day before esterday morning, before breakfast, to the Jefferson suffee-House, for the purpose of taking a julep,—for OFFICE OF THE JOURNAL OF COMMERCE,

New York, August 1st. 1 o'clock P. M.

LATEST FROM EUROPE.

By the ship Dover, captains New York, and Liverpoot to the best place in the world to take it, and to take it, and to the latter of the latter o my stornective my anticipated julep, but for my breakled immediately to the mansion. He was not seen athrown herself boldly into the southern and western defirst Fest day morning I was obliged to go round by
gain for two or three days, when he returned from the
partments, and lighted up the torch of civil war in La way of St. Peter street.

way of St. Peter street.

As Mr. Proguer is known to be a public spirited man, in great haste, as it was believed, on his return to Eulist is strange that he will tolerate such a nuisaage under his very nose, although the commissary neglect his duly. It is not fine from Proctor's to the mayor's office, short time age, not the slightest whisper was abroad, of and I have seen his honor himself take his glass at 'unine host's.' pass from the level on the lower side of Jefferson street; after that I malloo longer fear losing my morning glass of

DONALSON, Aug. 11. There has been a great improvement in the looks of the cane in this vicinity. Many planters now anticipate fair average crops, provided ice is not formed before their cuttings can be finished. From all we hear, there Asses, 112 deaths.

The Dutch affairs were yet unsettled. Three more prothis year, compared to last.
