a are authorized to announce Mr. J. J. Muncius as

Da melit media yesterday, bringing us every variety of the last March to the St May. With the entry too at some later European intelligence, we great hittle or s at Washington were still statu que. The sona estinued their attempts to brow-beat the president, and had

distherge of their duties, Richard Rush having been apthorough investigation, as kints to that effect had been thrown out by its Monds. The committee had declared resolution at all hazards to perform the task that had

raterial election is now pretty near at hand, and at is sum presents that the pre-spects of John R. Dawshin are at the brightest and most encouraged that. We have prespected by the prespects of John R. Dawshin prespects of St. Mary, St. Martin, Lafayetta, St. Lambin, Araphia, Rapidsa, Natchiteches, Livingston and Catteordia Living by the been received with an unanimity of feeling that Regiment energetic of the first of the second with an annumity of feeling that Regiment energetic of the first of the second with an annumity of feeling that Regiment energetic of the second with an annumity of feeling that Regiment energetic of the second with the second which there olds periodine libe: To his may be added a ma-jority of 2000 votes in the liberial parishes for out of the 3000 that will probably in the liberial periodic by no possibil-ny can obtain more than the have a total majority of two recovering and neither two have a total majority

that the designs of the revilers of the president to bring him ridicule and derision through that ideal personage. tioning, even by implication, their pitiful and disgraceful attempt. Although we regret to see that the Courier has renlered seelf observious to consure in this particular, inno by be regarded simply in the light of an ebulition spirit or a mera play of the fancy, but with men who rethe vilest means to disgrace the president, and nim into odium, it behooves his friends to be particularly guarded in their expressions, and let nothing escape them which might be construed improperly.

pencil has been used with such effect in the re-production of several magnificent operas, appeals to a generous and disoriminating public for a banefit to-night. Mr. R. apart from the reputation he has acquired as a scenic painter in this meomiums from Amarsons, both here and elsewhere, where

tractive, and will hardly fail to captivate the attention of the auditory, though the thermoneter be at 90 degrees. The play, the Heedeman, has been dramatized by a sentleman of this gity expressly for the purpose, from the posular povel of that name, and will be represented with all the advantages of new and appropriate scenery, of which it is so suscer

Toomes in the Wiswan.-In an incidental discussion that recently took place in the U.S. senate, Mr. Clay took occasion to make some remarks that proved quite unpalatable to his southern allies. Mr. Mangum responded in ed manner, and said in effect that if it was Mr. Clay's intention to testore the American system, he for one would he off, and that he would support the president, however nostile personally and politically he hal hitherto been to him. The league cannot hold together much longer, the parties to it are too discinular in their feelings and views.

The Belinners Republican proposes that the present U.S. sease be denominated through the Star Chamber Senate.— This name in possible applicable, as the celebrated Star Chamber in England by pursuing similar measures attained nation of being w subject of amiversal score and reproach to submeding generations.

Jour Randorn, we are told, in the debite when the present H.C. book was obstrated ponetrating into the future, exclaimed with his characteristic foreight, that if a corporate existence was given to it, one might as well sudertake to conquer Gibraltar with a pocket pistol as to subdue it. Subsequent events have demonstrated that Mr. Randelph was not in this conclusion far from the truth, for that institution has been found by experience to be simost as improved while as the collabrated fortress to whose strongth in the systet of its creation he so aptly compared it.

14th ett. from which we collect, that the affair of the 18th did not terminate quite so favorably for the Pedroites as they wished us to believe. The reserve of the Miguelites, it now appears, never came into action, and Saldula-loat groupds. The number killed and wounded en either side in this late stage of the content matters little, the great question being: which party is now in the best situation to attack. If we mater only the Miguelites will time be long in resolving this problem.

For real.—On Friday afternoon H. M. schoener Pike arrived at Falmount Saving left Lisbon the 2d. and called at Ojarto on the dissinst. She brings no news whatever, except that both the Miguelites and the Queen's troops are at a stant still, and that discord still prevails in Queen's troops are at a stant still, and that discord still prevails in Queen's troops.

We have received the French papers of Sunday, with a letter from our Paris correspondent. Nothing of interest occurred in the Deputies on Friday. The debate spon Political Associations was to be resumed on Monday. According to advices from Madrid to the 8th that capital was quiet: but the Courier Français states the French Government to have received dispatches of the 9th when a considerable forment prevailed. A large number of persons had been arrested. Count de Tarreno was to succeed M. Burgos in the Home Department. The Duke de Fias was on his way to the Paris Embassy. M. Surmento, Dona Maria's Equoy, and reached Madrid. The order anization of Sta Madrid Urban Guard bad commenced Don Carles, with Released Moreno, had advanced to the extreme limits of Portugal, at the head of three squadoos in Queen's troops.

and the country, that the reservoir in the uterest their and that even in the councils of the government there

In consequence of the French Chamber Deputies having insisted on reducing the amount of the army proposed by Marshall Soult to the extent of 40,000 men, it is said that the army of the Pyrences is to be dissolved, while the furloughts already grapted to orners is to be subseque. A set dissolution of the army of the Perence, at the present moment, appears to us to be rather a questionable proceeding, until affairs in Spain are more settled.—San.

By communications from Holland, there appears to be no chance of the reassembling of the Conference of Lon-

London, Sat. Evening, 18th.

We have a report strongly current, here this afternoon, that Don Mignel's troops have, by forced marches, advanced upon Lisbon, This intelligence comes by way of the French cap tol, and we have seen fetters from Paris which state, that the army of Don Mignel had succeeded in placing fixelf between the forces of Gen Satdanka and Lisbon, and that the utmost construction reigned among the Pedro party at the latter place. This intelligence agreed a decline in Consola, which for the account closed. the Pedro party at the latter place. This in caused a decline in Consols, which for the account 91 1-8 1-4, and for money 91 1-8 seller.

From the Pennsylvanian.

There is a rumor outrent in town, of a subunderstanding between the Committee of Investigation, appointed by the House of Representatives, and the Managers of the Bank of the United States. What foundation there may be for it we do not know, but if my thing has occurred, it has trisen from an attempt on the gent of the Bank, of which we understand there is no deput, to place the Committee of Gongress under the surveillance of seven of the Direct.

The General Post Office seems to be the principal object of attack by the enemies of the Administration, and great hue and day are raised on account of extra allowances to contractors. It is broadly intimated by some that great hue and day are raised on account of astra allowan-ces to contractors. It is broadly intimated by some that these allowances are illegal,—that they were never grant-ed before Major Barry was appointed Post Master Gener-al, and that they have been made for the purpose of re-warding political partizens and favorites. We have examined this subject with some attention, and feel fully satisfied that the granting of additional al-lowances for additional mail services is authorised by an act of Cangress, and has been practised by all the Post-Master Generals. These allowances evince the enter-

Master Generals, and mas neen practiced by as the team Master Generals. These allowances evince the enterprize, zeal and promptitude of Major Barry, who, instead of waiting till the contracts are run out before he makes that improvements called for by the country, orders the altowance of them at once, and then the compensation for such further service must appear as an additional allowance. Notwithstanding all the clamor of the opto-tion assists the actionally and themself Commenter General and mee. Notwithstanding all the clamor of the upro-tion against the estimable and talented frommarter General and his attle assistants, he has manifested the zeal and officiently in extending the operations of the mail in the short email of five years, as much as they had been extended during the ferty years preceding. The very evidence of his activity, attention, perseverance and devotion to public interests and wisher, are tortured by the malignant enclared the Administration into extending commissions and Administration into grounds of complaint and

RENCH Binkets, 600, 3 points, Granier's manufacture, for sale by J MAGER.

ECCIES of good quality are sold by the subscriber EECIIES of good quality at Lin boxes of 500, 1000 and 300.

P. GUSACH & CO, Apothecaries, St Peter street. NOTICE

The heavy import of last, week amounting it stoll 20,000 bales almost entirely fruit the United States, produced a sudden chirck to the activity which we president approach and in the absence of damand prices declined about 1-40. Big the Tavorable accounts from the manufacturing districts have induced the tauth to security their parchase

mand for Cotton Goods and Yeras, 7(the stocks of which are very moderate) at prices which leave a fair remuneration to the manufacturer.

The sales of Cotton from the 15th to the 20th inst, amount to 15,500. The Import during the same period 5,235. The greent Stock is estimated at 174,211, if which 122,900 American—ugainst same time last year 135,500 of which 105,200 American.

The Imports from the let Jan. amount to 171,719, of which 145,838 American—do. during same period last year 105,432, of which 144,743 American.

The market has become much more quiet only 2000 bags to-day.

day, and as there is a steady business doing in Manchester, our market will, no doubt, be supported for the present—What it may do afterwards will depend upon the extent of the supplies, and as the money crists, according to the latest dates from New-York, was approaching its termination, they may perhaps, come in rather heavily.

We heg leave to refer you to the annexed copy of our lest respects dated 15th inst. since when the demand for Cotton has rather improved, the sales being 7500 bales, of which 6000 American, chiefly at 8 1-22 a 3d. for new Uplands. In nices an advance of 1-3d. per lb. is quessed on common American, of other kinds there is no material alteration, if any it is in favor of the seller. Referring you to the smear adquotation: To-day we have a good trade demand, and the sales are 4000 bales chiefly American of the middle class at full prices, with 109 Sea Islands at 15 a 15 1-2.

New-Your, April 30. COTTON.—The transactions continue limited, purchasen being unwilling to come forward at the prices demanded by holders; the sales, therefore, are only to sopply immediate wants, and, for the last three days, they amount only to should be beles—of which 300 were Uplands at 11 a 14 cts. and 150 Florida at 12 1-2 a 14 1-2 cents. The import has been 3237 hales.
MOLASSES —There are two or three cargoes affoat, but

range.
FREIGHTS—Remain without chance. By no meant pleasty to England, and to France about enough offering to the regular packets. Sales at the New-York Stock Exchange, April 29, 175 shares U. S. Bank
