DEPOT AT No. 8 PERDIDO STREET, NEW ORLEANS.

THE RADICAL AND IRREVOCABLE REMEDY.—Insurance is one of the conditions of life. Next to vermicular affections, Asthma is the most dangerous. Other remedies increase the power necessary to cure, this supplies it. Other remedies are local, this is constitutional. Other remedies are but temporary, this is permanent. Other remedies are to be taken for life, this is the only remedy in which it is unnecessary to continue medicine after the vermicular surgery is over. Home. 9192
