

Sonic Boom DJ's

Fresh on the scene as an Australian based duo, the members of Sonic Boom had been individually cleaning up dance floors with local followings since 2006. Meeting each other in 2010 and recognizing each other's commitment to both music and party, it was only natural that the pair would join forces, dominating the club scene with crazy party beats & delivering massive melodies & phat bass drops. The highly energized and addictive performance behind the decks doesn't stop at that, at one point or another you will find the boys interacting and jumping amongst the crowds with their unique nature seeing boundaries broken in their cutting edge performance.

With success in their club sets, the one thing the pair knew they needed to conquer was cracking their own productions. Spending their days in studio and nights behind decks, their focus and drive has sparked a new ambition that is set to take them only higher.

Inspired by some of the greatest in EDM; Afrojack, Bass Kleph, Hardwell, Alesso, Dirty South, John Dahlback, Sebastian Ingrosso & Deadmau5
The pair have worked amongst the likes of Tom Piper, Timmy Trumpet, Amber Savage, Nick Skitz, Archie, Chris Frasier & X-Dream to name a few.

With such an immediate impact on crowds, venues and fellow DJ's, this young electronic act is one to watch.
