Jarmany is the small country located in the Pacific Ocean. Not much is known about this country for it has been concealed by the military for unknown reasons until recently. The inhabitants are known as Jarschifipodites and speak the official language, *Jarmün*.^[3]

History

Most of Jarmany's history isn't documented, and are known by folklore.^[4]

=The Jarhead Tribe and Local Folklore

The first people believed to have cultivated this land were known as the Jarhead Tribe. Scholars debate on the whereabouts of which these Jarheads migrated from. The most favored theory is that tribes in the northern america floated to Jarmany by chance. The ancient tribe worshiped a god known as the Jar-Man. Within his jar, all the knowledge one could posses and the ingredients to life.

The Great Civil War

Somewhere around the 1500s a war out broke. Some people believe it started from a single punch, and others say the kerfuffle and joined the fight soon being a war. Splitting the nation in half, after countless decades of war, people forgot what they were fighting about, but continued out of unknown rage. The war ended in the 1750s after a century's negotiation and Jarmany's two city-states were born. Ridda Bisqit was chosen over Twünty-Füve for unknown reasons even though Ridda Bisqit is the smaller half of the country.^[5]

Formation of Government

Mathew Jarman decided to form a government and control was was established.

Culture

There's some freaky stuff in here.^[6] [7]

Religion

Jarschifody is the official religion announced by Mathew Jarman on August 27, 2011.
