Brown of New York, is deceased. Me of Viginia was absent on besiness. The members' would have swilled the republics to one hundred and fiften. It all the five purely trees of New Jersey voted, and had the five prevented of New Jersey voted, and had the five prevented of New Jersey voted, and had the five prevented the new occupied titing each was excluded, it sition to the bill would have been 190, and it do to the messure would have been a new order of the prevented of the new total for it, there would still have been a fire; an ill would have been lost. be bill wouse never that if the winner people, as was unequivocally expressed in the latest slections, had been respected, there would have been a decisive majority against the measure. There is Crary, of Michigan, there is Robinson, of Delaware, —both of whom voted in the teeth of the known senting of the people of those states. There are Holing at the people of those states. There are Holing at the people of those states. ould have been lost, it be remembered that if the wishes of the

The bill was brought back to the senate to-day. It immediately received the signatures of the vice president and speaker, and will be signed by Mr. Van Buren forthwith.

The house of representatives, to day, fixed by a joint resolution, Tuesday the 21st of July as the day of adjournment of the present session. The 15th and 18th were both proposed;—but the longest day was preferred by the majority.

The house then, after some private business, pruroreded to consider and discuss the bill from the senate to continue the charters of the banks of the District of Columbia, for two years from this time. The Larters expire on Friday the 3d of July.

The bill was alby and cloquently supported by Messra. Win. Cost Juhnson, John Quincy Adams, Waddy Thompson, Underwood, Jenifer, and Rice Garland, and opposed by Vanderpoel, Petrikin, Weller, Steenros, and other federal locufoco destructive of that stamp.

use then adjourned, and the bill will be disposed of -morrow.

The senate was engaged during the most of the day it in the bill to ensure the more faithful execution of a Revenue Laws, relating to the sollection of dues on imports.

ties on imports.

The question was on the amendment, deciaring any witness incompetent who should have any interest in the came eletter to the interest of the party in whose behalf be might be called to testify.

The senate adjourned without deciding this question—after a short executive session.

D. McL (CORRESPONDENCE OF THE BEE.) Balti more, July 2d. 1840.
