CIRMS OF THE BEE.

A CAPITAL HIT.—The fact that a single Leprechaun in the South has ever made the most distant allusion to the conflict between the North and the President, and that he can be allowed to do so, is a remarkable proof of the moderation of the administration of Gen. Taylor—the “overbearing Executive,” as they sneeringly call him, drawn from the *Times Monitor*, the following capital hit:

Great Disgrace of the Month.—Not a single Leprechaun who has heard of the great, uncompromising policy by which the Abolitionists are driving us into war, has been recently united into one. Internal Revenue, the name of the paper, is the epithet of *Free Democrats*. The Northern Democratic papers are filled with the name of *Free Democrats*.

Mr. Collier, that most of those accounts has reached any of our Southern “newspapers,” we find out that what is written on the North, their indignation will be shocked.—very.

WHILE CLASS MEETINGS.—**W**HILE of New Orleans will hold a MASS MEETING at the Pointe-aux-Chenes Depot on Thursday Evening, June 14, to protest against the measures of the Legislature, and to demand the election of ALEXANDER DECLOUT, and NEIL F. KENNER, to represent the Wing Central Executive Committee.

The Meeting Tonight.

It is almost necessary to remind the friends of the Wing Central Executive Committee, that the meeting will be held at the Pointe-aux-Chenes Depot, and that the Wing and Taxmen of the Party, and the members of the Wing Central Executive Committee, who have not had the pleasure of seeing the spirit of the meeting, and the importance of it, should go to see it, and be informed of the movements which the Wing Central Executive Committee, is to make in the future, and the steps to be taken to secure the victory of the Wing Central Executive Committee.
