## TAR PAILT BEE OFFICIAL JOURNAL OF THE STATE,

Moraing, Angust 5, 1889 A. GRAHAM.

P THE CHARGES PROVED.

Phere as Leasther of Shavery.

FUL AND CONCLUSIVE EVIDENCE.

present to our readers the subjoined artime the VWashington Republic, embodying
out eignal and conclusive proof of the abconfectures of the reports of Mr. PIERCE's

stimpay, that it supersedes further com
The fact is now matter of record and
at the history of the times; and mothing
oneity save FRANKLIF FIERCE from the
tof hundemnation which the South will

sthing to be guined in controversy by re-tuperative language. The Union may yocabulary of abuse, without persuading the Republic circulates statements which , or that it has any sympathics with Abo-

have two or three documents of interest to to our contemporary this morning. We do-amentous to them. One is an affidavit from a, the reporter of (immed Pizzoz's speech, attenan, we understand, is a pseucher of the

prory condid man. When this is called for in a setable manner, I am ready to furnish it.

Baspectfully, yours,
JOHN H. GOODALE. Respectfully, yours,
JOHN H. GOODALE.

We subsait to the Union that this adidavit and this latter are meet more effective and reliable beatinedry than abusive language. But we have not yet or remained our documents. We have this moment reversed is other from two members of Congress from flow and the latter of the language. Mr. Truck and Mr. PERKERS—the first assend a Democrat and the latter a Whit. From this issue we learn that the addace of the Machaster Democrat are men of good reputation in their vicinage. Mr. GOODALE, if seems, has always supported the Democratic nominations, and has always had at the head of his columns the names of the Democratic andidates for Congress, including those of the men who now seek to malign him! Mr Food, it is averred, is a Democrat of the same assectations, and a man as far above personal reproach as any one in New Hannshire.

Buth is the testimony of two highly respectable members of the Hosse from New Hampshire to the

in our State, and consequently the reputation of the conductors of those papers, we desure it our daty to indicate our own judgment in the premises.

The wholsale charge of mendacity and infamy of reputation, wherever known, contained in the above extract, has astoniahed us, and will, we dowle not, astoniah all the people of New Hamps sine whose political animosity has not got the above extract, has astoniahed us, and will, we dowle not, astoniah all the people of New Hamps sine whose political animosity has not got the above extract, has astoniahed us, and the contraction of the first character of the contraction of the first character of the contraction of the first character of the first contraction of the first character in the contraction of the first character in the contraction of the hamps of the contraction of the first character in a to enter upon the record our denial of the justice of the character of the papers in question have been "malignant," or "mendacious," or that "their character is nech as to enter upon the record our denial of the justice of the character of the papers in question have been "malignant," or "mendacious," or that "their character is nech as to render any contradiction of their statements as unineversary labor, wherever their reputation is known," we cany as capitalcially and positively as our opliengees have made the charge. Positical hostility and partiame flustry profession may destroy the judgment of someon, and conde on the state which our colleagues for the people of our State will form a just opinion, and conde on the attack which our colleagues for the people of our State will form a just opinion, and conde on the attack which our colleagues for the people of our State will form a just opinion, and conde on the attack which our colleagues for the people of our State will form a just opinion, and conde on the attack which our colleagues for the people of our State will form a just opinion, and conde on the attack which our colleagues for the people of our State will be

FURTHER PROM LUNDY'S LANE.
FALLS OF NIZUARA, July 22.
The celebration has, so far, progressed admirably, and bids fair to close with as much celat as it commenced.

At the principal platform, around which were tan or twelve thoseand persons, yesterday after amount, the Hon. Thomas Evering presided, assisted by a Vice President from each State, the amonancement of their names being received with the most hearty enthesiassa.

Several other stands were erected, from which he people were addressed, and the speakers were received with the most hearty enthesiassa.

After an opening prayer from the Bee. Mr Miner, the President addressed the assemblage in an able speech. He was followed by Gow and bow, and that they had come found. Hearty Winters Davis, of Baltimore; and Colonel Shouler, of Mass. The speakers and tokenel Shouler, of Mass. The speakers and tokenel Shouler, of Mass. The speakers and the smaller stands were lorged; precipility for the conflagration.
