the of man, a glorious and enduring maturity. His atimpents were of an uncommon extent, when compared
or he short space of his existence. His reading was
if a wride and varied range, well digested, and stored up
or futureuse; in literature and in moral and political scimee, his acquisitions were both extensive and encourageare. As a writer, he displayed great elegance of compoiron, and power of argument, and exhibited a talent for
singent and pleyful satire. His genus was illumined
with brightsthoughts, and capable of lofly coorings and
profound analasys; resembling the electric fluid both in its
virid flastics and penetrating energy. The "Remains,"
subrace his essays, political, meral and literary, with rome
thorers enthered in the walks of popsy. In his political
fisquisitions especially, are exhibited a power of thought,
n closen so of earoning, and releases of illustration, which
would have done honor-to a maturer, age. His examination of Mr. Calboun's theory, is a complished in a mestion of Mr. Calnous's theory, is accomplished in a mes-terly manner, and the resultablenet suggests a parallel in the victory of the youthful Davis over the gigantia Philis-gine. The selections generally are judicious, and peasess a high order of merit.

Sr. MANTENEVILLE, July 16.

The read pleasure, we assure the public, that our form has regained figures and wonted salubrity of the citizens who fied from home whose the Cholera and only and magapetedly made its appearance is have returned and resumed their respective necessary. There is now no disease of my hind prevailing them on the immediate meinity.

terly manner, and the resultable suggests a parallel in the victory of the youthful Davis over the gigantia Philistine. The selections generally are judicious, and possess high order of merit.

The American reprint of the Foreign Quarterly and Westminster Reviews, published by Condy Raguet, Esq. in Philadelphia, has been very successful in obtaining subscriptions. The number just issued, the Foreign Quarterly tor April, contains an announcement that the present list of subscribers is adequate to perpetuate the edition as long are of sterling are:it, and furnish views of foreign literature, politics and science, to which access can be had in the country through no other channels.

Two very interesting appers in the last number are reviews of the third (and posthumous) volume of Neibabb great work, the Roman History, published at Besin in 1995, and of Von Rautner's Letters from Peris, a work published at Leipnic in 1631, illustrative of nainerous curious paths in the history of Europe during the 16th and 17th capture in the history of Europe during the 16th and 17th capture in the history of Europe during the 16th and 17th capture in the history of Europe during the 16th and 17th capture in the history of Europe during the 16th and 17th capture in the history of Europe during the 16th and 17th capture in the history of Europe during the 16th and 17th capture in the history of Europe during the 16th and 17th capture in the history of Europe during the 16th and 17th capture in the history of Europe during the 16th and 17th capture in the history of Europe during the 16th and 17th capture in the history of Europe during the 16th and 17th capture in the history of Europe during the 16th and 17th capture in the history of Europe during the 16th and 17th capture in the province of the capture of the manner and the capture of the capture of the manner and the capture of the manner and the capture of th
