EW-ORLEANS BEE.

BY 5 5 A Y U.S.

We establely fire innote the most degrees read in the second of th

This score is a fipe contrast between the old feudal time, when parental authority exacted obedience
at the expense of affection, and the present day, when
the expense of affection, and the present day, when
the exhodinance has been abroad, and our republican age, when children have at least the right of
choice.

Harsh measures are made use of, and Pecy is
eliked to marry a woman he saver leved. A sease
of missay enuces. Ann is wishdrawn by the direction
of the tyrant Harry, who having appealed to her to
become his 'mistress' in vein, she finally conscitte
to become his wife, when convinced that Pergy has
boilen his sows of constancy.

This attendent subsists not long, and Ann surprises her king in an intersitew with Jane Seymen;

our aliments of Louisian, have the state of the present of the pestioner, and by grown the following day at nine o'clock a. u.

Or Touchally he fish of December, all parties being in court and ready for trial, John H. Halland, the U have the state of the private of the process under, which the produced the original of the process under, which the produced the original of the process under, which the produced the original field stretch and eastern district of Louisians, greeting.
