The work goes bravely on .- We saw letter this morning from a gentleman to Gen. Sa tion meeting is over, and I have never persons and measures connected with but once seen as many people collected the affairs of Portugal, that the Genetogether in this town, and what was rel found it necessary to check and rep- their neighbour's property, they and more gratifying to the friends of the rimand him, on two several occasions, their friends prayed as earnestly to Administration, there was not a single the last, in terms so severe, that the Heaven for success, as if they were enperson intoxicated or in the least disor- Count had no other alternative left than gaged in the most laudable design. The derly. There could not have been less to send the General a challenge, which constant petition of grace of the old than lifteen hundred voters upon the was instantly accepted. The matter is, Highland chieftains was delivered with ground, and the whole assemblage was however, arranged for the present, great fervour, in these terms: "Lord! not less than two thousand persons without a meeting; but, as two distinct gurn the world upsidedown, that Chris-The day of Jacksonism is gone, and the parties had been formed among the tians may make bread out of it," The people are determined not to come un. Portuguese returning home, it is ap plain English of this pious request was

The proprietors of the vineyards in the department of the Gironde (France,) to the number of 12,562 subscribers. recently presented a memorial to the French legislature, with some interesting statistical facts. It appears that the vine is cultivated in seventy-two departments of France, over a space of 1,736, 0.56 hectares, (the hectare is equal to about two acres.)-The annual product to support, it is supposed to occupy at almost every library in Europe. least two millions of laborers over the kingdom at large. But this vast branch ed by the taxes, is altogether signally

DIPLOMACY. The President has issued his prodimation, dated the 2d aug. declaring that discriminating duties are not ex acted on United States vessels, in the ports of the kingdom of Hanover, and that consequently the ports of the U. States will be open from the date of the proclamation, to vessels of that kingdom so for as regards the importation of the same goods, in American vessels.

In the London Courier of May 26, ander date of Constantinople, April 25, we find the following intelligence.

"The Porte has concluded with the United States of North America, Convention, granting to their shipthe Channel, but not into the Black Sen, on a payment of a duty of five per cent on the value of their Cargo. Se veral vessels of that nation have accordingly entered, in the course of the week, under their own flag."

The Cherokee Phanix holds the following language with reference to the proposition to remove the Indians be cond the Mississippi:

"In regard to the inducements for emigration held out in the following article, to the Cherokees east of the Missippi, particularly those within the chartered limits of Georgia, we have but one opinion, and that is, those inducements will not procure a single emigrant. They are insufficient, we had almost said trifling, and do not well mations contre la succession de feu become the dignity of the United States the mention of five pounds of tobacco Ex. testamentaire. in a treaty, where the interest of a nation of Indians is supposed to be concerned, looks, to us, too much like jesting."-A journal published in the Cherokee and English languages.
