Mrs Rosentt is to have her season benefit this evening; and has selected dramas well adapted to attract and gratify an andience. It is unnecessary to recal to the minds of our mitisens the continued and maritorious services of this lady for a series of years, during which she has appeared in some of the most arduous characters of the drama; and usually seperred to such advantage as to deserve and almost de mand the approbation of the theatrical public. Her princi pai deere being to please rather than skine, she has seldon failed of her object. Shall her appeal to the gravitude and generosity of the public be now in vain?

> POST OFFICE DEPARTMENT, 4th MAY, 1835.

To Mail Commercion NOTICE onfractors, and others who are or may be cred-tors of the Post Office Department.

The practice of accepting the drafts of persons in the em-loyment of the Post Office Department, for services there-far to be rendered, as also for moneys due, will be discon-named. No drafts drawn after promungation of this notice, rill be accepted or paid, unless drawn in pursuance of some intended to pay promptly, at the end of the presen

and each succeeding querter, all just claims accruing against the Department, within such quarter, in such manner as will bereafter be made known.

As payments for services rendered will be promptly made, the performance of the service contracted for, will be rigidly azacted.

exected.

Fines will not be imposed without full inquiry and sufficient agains; but when imposed, they will not be remitted.

Arrearages of form requarters will be paid as fast as the Department acquires the means, No retrospective allowances w quires the means, nvs allowances will be made for any regular

avoire heapenive allowances will be made for any regular service heapefur readered, such as carrying the mails in sanother manner, or more speedily, or more frequently, than is stipulated for in the contracts. Improvements will be paid for only when they shall have been previously approved and ordered by the Department, and the rate of allowance fixed

AMOS KENDALL.

LATEST FOREIGN NEWS.

The eastern mail of yesterday brought advices from New York of the 4th instant, whence we learn that the packet that had sailed from Liverpool on the 2nd brought intellidence from Paris of the 30th of March: from London of the

let of April; and from Liverpool of the 2nd.

following are the practical items of the report.

Art. 1.—The Minister of the Finances is authorized to take the measures necessary for the execution of the let and 2d articles of the treaty agned on the 4th July, 1831, between the King of the French and the United States, the ratifications of which were exchanged at Weshington on the 2nd February 1832, and according to the brane of which the sum of 35 millions of france is to be paid by Frince.

Art. 4.—The payments to be made see the sent of 28 millions of france shell be carried into effect only in as far as the government of the United States shall have in nowae tested contrary to the dignity and to the interests of France.

Advices from this country had been received in Paris via

the King of the French and the Country has been received in Paris via Rayland to the Strance of Williams of Strance shall be carried into effect only in as far as the government of the United States shall have in nowing astel country to the dignity and to the interest of France.

Advices from this country had been received in Paris via Rayland to the 3d of March, containing the published correspondence between the American minister at France, also the French minister at Washington, and the secretary of the winte department; with that of Count de Rigny and Mr Livingeton; but not the definitive resolution of the Congress

The London papers speak with auticipation and approbation of the success of the project of law on the 25 millions It has not been much mooted for some weeks in the Paris journals or circles, because that encouse is considered cortain, and any opposition no longer of avail. The vanity and honor of Monsieur Joan Crapenu must succumb to the domands and determination of Uncle Sam.

The English conservative ministry is in a tottering condi tion. The proposels of Peel to Lord Stanley have been revived without success. This defeat is attributed chiefly to the hill of the minutey on Irisk tithes and charch reform,

The provinces of Moldavia and Wallachia, form of the Turkish empire have been recognised as indepen by England, Prance and Russie. This may be uneful for Great Britain in forming a barrier between Turkey and Russis, if the latter monarchy does not clutch those provinces

within her grace. The dates from Spain were not later than those formerly received. Portugal is in a state of tranquility; and invites
