s received from the Army of Oc

Amidst these sources of national sectors of save and sectors of national sectors of national sectors of save and sectors of national sectors of save and save a firm the belief that the Maxicans to the number of from three to first thousand, were determined to dispute every step of his progress. There was but, the slightest doubt, says the Galveston Ness, that General T. would have to cut his way to his assuranchments through vastly superior numbers of the energy, who were known to be posted in large forces smoog the almost impaisable thickets of chaperal on the road with a determination to cut him off, if possible, in his attempt to regain his other forces. This statement proves that Zacazay Taxlor is fally aware of the inneediments that the between him and his camp.

ment proves that Zacuary Tarlon is many aware on the impediments that the between him and his camp and as fully resolved to overcome them, and reach that post or leave his lifeless corse to be lacked and hewed by Mexican bowie-knives. We man, there-fore, not unreasonably expect by the next arrival, the account of another sanguinary conflict. We have at

beaten the Mexicans and regained the camp. Heaven speed him and his brave companions!

Matamores Remone to Asses.—Mr. Andrieu, an 'arist of considerable merit, has placed on our table a lithograph of the recent battle because the American and Mexicans, during which the town of Matamore was demolished. The sketch is extremely spirited, although in the details, the artist mass necessarily have drawn somewhat on his lancy.

City Intelligence.

FIRST MUNICIPALITY COUNCIL.—This Council met exercisy evening. The term of the Recorder haven general, Mr. Hermann was called to set in his tead. A motion was made to appoint a Committee to examine into the qualifications of the new Recorder. oles, Wiltz and Latour, as a Committee, who returned after a brief recees, and reported that Mr. JOS. GENOIS was duly qualified. His Honser then took his seat. A message was read from the may Mayor, Mr. Crossman, which contained his news of several improvements which may be stide in the Mandelpality. He, however, adouted the lab had not yet time to embrace all the points which mean the consulting to more under his notice. Referred as the improvement Committee. Mr. Correcides moved that the Council now proceed to the elections of officers. Mr. Hagan presented a substitute that the exercion be postponed till next. Monday, and shortered that by section 63, the Recorder had no right to vote unless on a tie vote, or in case the Council so into a Committee of the Whole. The Recorder rows and stated that he considered that he had a right to vote, and that he should maintain that right is vote, and that he should maintain that right is vote, and that he should maintain that right is vote, and

VOLUTERES.—Two more companies of our citizen subtlers were marched down to the Barraels yesterday. In addition to the Companies already enumer and by m, we find the following in progress of organization: second company of "Montgorhery Guarde," a company caffed the "Young Hickorys," The Frennen's Guard, "The Jefferson Guarde," and "The Avengers."

TREASURY NOTES OUTSTANDING—By the report of the let May it as well as the company of the let of the le of the 1st May, it appears that the Treasury Noticutstanding at that date, was \$598,114 38. WHAT NEXT!-An American Excavating Ma-

chine, called the American Devil, is now used in deepening the dock at Hull, England. TENSAS .-- The crops in Tenses, mys the Concor a Intelligence, have not suffered nearly such an extent as those in her sister parish, Concordia. They had very little of that severe storm in which there was a destructive fall of hail.

Accident to an Officer —Capit Barnarh, of the

U.S. Army, now commanding the garrison at Os-wego, N. Y., was thrown recently from his horse, and fractured his leg so badly that much whitely is felt relative to him.

SENATE
MORBAY, May 11, 18W, 10 Mr. Parkan the Senate adopted the transfer of certain funds arising bill authorizing the transfer of certain funds arising out of the sales of public lands.

Mr. Taylor, on behalf the committee appointed to

rargued at some longth in favor of the fier some time, the bill was, by general sponed till Wednesday night. bill was to mayide for the election of Con-

green passed of the State. Adopted, time and passed.

bill in order was the act to abolish the ramit Apprehr in criminal cases, and lowers and functions to the Suprementate. The bill was taken up section by ed without amendment, read a third and state.

Nous apprenous of the Nobaries, was next considered des soldats dans directed that the Governor shall approvide that the Governor shall applied to the Common shall apprend to Nobaries of the Common that was not in the remaining parishes. Mr. Phillips advopated the election of Notaries Public by the people, and moved an amendment to that effect, which was efficieted.

Sec. 2d, provides that the Notaries shall be commissioned for four years. Adopted with a slight amendment.
