

You're traveling through another dimension—a dimension not only of independent clauses and sentences, but of the words that connect them. There's a guide up ahead; hence, your next stop is

The Zone of Transitional Words and Adverbial Conjunctions.

accordingly	hence	nevertheless
also	however	on the contrary
as a result	in addition	on the other hand
as though	indeed	otherwise
consequently	instead	therefore
for example	moreover	thus
furthermore	namely	

When using a transitional word between two complete thoughts or independent clauses, add a semicolon (;) before the transitional word, and a comma (,) after it.

This is the dimension of complex ideas; thus, your journey into a wondrous land of imagination has begun!
