

ED

Sat. evening.

Dear Freddy:

In the first place you'll have to forgive the stationery. It's Eddie Sandwehrs' and he'd have fifty fit if he knew I was using it. It's probably be killed. So if the letter is short and rather unrecognizable it's because I'm constantly on the look out for the Hollander. I could probably hold my own, what do you think.

Two of the boys from Gr. Rapids are down here this weekend. Bob Gamble was up for dinner tonight and Tom Short was here last night. They must be seeing college life in the raw, I really couldn't say how raw, that can be left to your imagination. At least our fellows were

sober & orderly, a little unusual  
but nevertheless very true.

I didn't know Gilda was  
going to South America.  
What in the world caused  
her to go there? I could think  
of a lot more desirable places,  
but each person has his own  
choice, and far be it from  
me to say anything, anyhow  
whose business.

What's been doing in Gr Rapids  
lately. Haven't heard a thing  
I sincerely hope something works  
up before spring vacation  
as I intend to do a little  
celebrating.

Saw Sarah Everett at our  
house-party, in fact we got along  
very well upholding Gr. Rapids  
honor. It was a grand party.

I'm afraid Eddie is coming  
so here goes. never
