ast, died a few days ago in the New York city priso

aptcy in New York, since the act went into open

The mertion panding was on the motion to strike out appropriations for the Branch Minus.

After some debate, the motion was negatived. A section was then made to strike out the salary of the Coverage of Wisconsin, on the ground of misconduct. This motion failed, and at three o'clock the committees for want of a quorum.

The House then adjourned.

THE LOAN BILL.

DEFINITION ACT—CREDIT OF THE GOVERNMENT:
We'surrender our columns, to-day, to the demires ble speech of Mr. Bernow, upon Mr. Lam's resolution to pledge the public domain for the payment of the contemplated lean. Mr. Bernow merium end present of the Government, clearly and distinction to pledge the public domain for the payment of the contemplated lean. Mr. Bernow merium end present of the Government, clearly and distinction to pledge the public domain for the payment of the contemplated lean. Mr. Bernow merium end present of the government, clearly and distinct of the contemplated lean. Mr. Bernow merium end in the contemplated lean e

genuous act of his time-serving and decision to mixing intration. There was ne earthly occasion for mixing the hand question with the loan bill, unless his doing so was a direct overture to the locofoco party. As well might the executive have staked the passge of the loan bill upon the repeal of the bankrupt law, or any other cherished policy.

We invite attention to that portion of Mr. Banw's speech which relates to the effect of a repeal of the distribution law upon the credit of government bonds for a refigation of the clamor raised against the locofoco, who are now aided by the Tyler.

The schooner San Bernard, of the Texina squadron, arrived at Galveston on the 10th. A Mexican bechonor, the Deferitas, taken with salt, had been caplared by commodore Moore. She was taken by the sloop of war Austin and schooner San Autoria; in sight of the harbor and Castle of Vera Crox. The Mexicans though provided with a large schooner, the Australia and schooner San Autoria; in sight of the harbor and Castle of Vera Crox. The Mexicans though provided with a large schooner would be support, and the application of the school of the state of the public form of the school of the state of the public of the precise of the state of the public with a large schooner would be a state of the public with the distribution set of last last session may sent of the firm of any part of the school of the state of the public with the distribution set of last last session may are the school of the scho
