BATON-BOUGH FOR 1 Our readers will perceive by the pre olamution of the Governor, that encles tide of a member to the legislature, to fill the vacancy occasioned by the resi nation of Francis Garderes Esq. wil take place on the 4th, 5th and 6th ince Although we regret the less of this m tleman's services as a representative, place he filled with so much honor to himself and banefit to his constituents; yet it gives in great pleasure to per ceive the estimation in which he is held by his fellow citizens, evinced by his election to a place of such, importance as that of Treasurer. While speaking of this gentleman it is our duty to pay the just tribute of praise to the other rapresentatives of this parish, our worthy and venerable senator Gen. Philemon Thomans, and our representative, Wm. Winfree, Esq. The interests of the parish are case in their hands. The candidates for the office of representative are before the public, and we hope s one follow citizans will unite wid out regard to party and made chains a him who will best assend to their into

From the Mebile Communical Begister, Jan. 31 On Monday, the bank of Mebile discontinued receiving the notes of the State Bank.—This measure it is understood was adopted in consequence of the failures on the part of the latter to provide for the redefination of their notes in Mobile. Some arrangement existed during the past year between the two institutions, by the terms of which the notes of the State Bank were received at the Bank of Mobile, and recently it has been discontinued. committee from the State Bank was here a few days and, but returned with out entering any agreement the reception of their money at of Mobile, and as it never has to taken by the Branch Bank, it is me now in Mobile, what is termed bankalik money. We have not beared yet afile sciling at a discount in consequence.
