Bad article!

[edit]

This article sucks! – UnhelpfulUser251 00:03, 14 February 2012 (UTC)

The "etymology" section could be improved

[edit]

I found [this journal article](#) which indicates that the etymology of the word "Sample" is different from the meaning given in the article. I'm not sure this article is more correct than the sources you have provided, and was hoping to discuss. – HelperMcHelpful 00:03, 14 February 2012 (UTC)
