A NEW ACTUENT IN LOUISIANA!

OUISIANA pussesses humerons establishments
for the education of her youth; and yetherey yest
a voice issues tom the egistative hall, and from the
inthers of families, pronouncing these institutious to be
insufficient to supply the wants of the state; and any
une, at all acquainted with its moral geography, will
readily perceive that these complaints are not wholly
unfounded.

unfounded.

The futber of a family, in the impossibility of inculcating in the minds of his children the first principles of science, is obliged takend his off-pring to a dis-tant part of this, or to a fureign country; sleep they are subject to manners and habits foreign to the land if their birth, and denied the benignant solicitude and guardianship of their immediate friends. This depri-vation is not only a loss thick popils themselves and heir immediate friends, but to the state.

Why, at a time when literature and the arts are flour shing among us; when our industry is in a state of the highest perfection; and when our commerce is extend-ing iself in every direction, and strangers are viewing our prosperity with a jealous eye, have we no national institution, upon our own soil, to which our youth may resort, with the assurance of acquiring an education commensurate with the individual wealth of our citizens, and which shall qualify them to sustain the dignity of

The people require the light of gening and illustration, to prepare for such an epoch; for ignorance is but the presage of the reign of tyranny and the death of freedom.
