A fearful tempest had been experienced and

casy rains had justen at Sobastopol.

The addies were concentrating their forces etween Balakfava and the North side of So-

SANTA: ANNA IN WASHINGTON. WASHINGTON, Oct. 9 -- There is little or no loubt that Santa Anna has been in this city or several days.

NEW YORK MARKETS NEW YORK, Oct. 2 — Our Cotton market is quiet. Plour has advanced 18 to 25 cents per bbl. Corn is rather higher, and firm.

FROM WASHINGTON.

one Week Later from Europe ABRIVAL OF THE CANADA. SEBASTOPOL SURROUNDED. BUSSIANS DEFRATED. NEW FORTIFICATIONS.

Cospect Dr. Perkins, East Baton Roogs; C. Dalleres, Lalourche.

Halipax, Oct. 9.—The Cunard steamer Cannada, which left Liverpool on the 22th in a partired at this port this afternoon. Her advices are bone week later time those by the Pacific. At New York, and are of considerable interest. The Canada's mails will be due in New York on Thereday aight.

The Allied troops, which, as has been already stated, left Balaklara for the North side of Sebastopol. And landed at Empatoria. They number 20,000 men, making a force, with those already on the North side, of sphastopol, they were compelled to retreat.

Gortschakoff tolographed to St. Petersburg on the 20th uit, that 33,000 Allied troops had debouched from Rupatoria and occupied the religace in the heighborhood of Sebastopol.

The Russians were busily engaged in fortifying the North side of Sebastopol; they were constructing new batteries, and making overy preparation to stand a siege.

It was stated that the town of Sebastopol was to be razed by the Allies, and the basin meparating it from the forts on the North side was to be hilled up with the material these obtained.

Steammer On.

Steammer On.

The steamship Hermann, from New York for Bermen, arrived at Southsington on the 24th uttime.

Bernen, arrived at Southampton on the 24th altimote.

Bernen, arrived at Southampton on the 24th altimote.

Naw York Politics.—We perceive that the N.Y. Course, already sickens of its new consorts, the Black Republicans, and washes its hands of them! It ways:

"The Missouri Compromise is past hope and past praying for. It is dead. By enemies stabled, and by firends "ragged into the sleep that knows no waking. We have worked for it festifully and perseveringly. We have worked in vain. The breath is no longer in it. Let the coffin pass. rain. The breath is no longer in it. Let the Colin pass.

But, grailemen, when you ask us to go to the grave and sawar with you before high neavest to take vengeance on its murderers—we must think of it. You must put yourselves upon your purgation first, that you had no hand in insteming is death. Can you do it? Look at your work."

The Courier then analyzes the recolutions of the Pusionsite, to allow that they impure and

The Courier than analyzes are recoustons on the Sussensis, to show, that they ignore and drown the Missouri Compromise, and all its principles, and the whole act of 1890,—with that they consider that act as not right in principle then nor now, and the editor comes to the conclusion, that all the Fusionists are after now cipie then nor now, and the editor comes to the conclusion, that all the Pusionists are a sizer pow is vengeance on the South.

"The recent State Convention (we quote) have proclaimed to the Bouth that they will not make peace with them on any such terms.— They discould not should be Bouth to restore they should be a support of professional spituors, we do not say. The fact suffices so, that these conventions, juto which a large body of the Whig party has fused, have extended a purpose not to accept the notly available peace offering. The action of the conventions is subject to two fold consideration—first, in shutting off the South, in advance, from all opportunity to repair their wrone if they were dispused, in next Concress, where alone it can be repaired, and accound, in taking away from the South in advance, along this, by expressing a determination not to be sattsfield with it, and making other demands which they believe ten fold insertings the Course that a subject to two load account of the convention of the conven

unchanged prices. Pork had advanced slighly. Bacon was firmer. Lard had advanced 3s to 5s per cwt., the stock being exhausted. In the London Markets. Floor was steady as We are glad to see the Courier thus shrinking Collee had gone off at full prices.

THE CRIMEA.
It appears from the details of the Canada's news, that the Allies attacked the Russian intanty on the 22d, and that it was not until the 25th that the latter retreated.
The French were rapidly advancing their cavalry and infantry towards Harak-Shieria.
A fearful tentures had been assembled.

which, with its new conserts, it was so rapidly running.

The Sound Dues.

We take the following important extract from the Paris correspondence of the Natural Intelligencer. It will be seen that the actile mout of the waxed question of the Sound Dues, will probably be attended with many difficulties:

Bailmose, and three and a third millions in Bailmose, and three and a third millions in Boston.

The whole number of applications made for bosanty land, inder the law of last March, have been upwards of two bendred and seventeen housand, and the number of warrants issued three three manners, and the second of the property of the last month nearly eleven thousand were issued.

EF The immigrators who arrived at Castle Gardes, New York, during the last two weeks names elicit—all but 421 of whom were subject to pay 10.9 comparation fee, having visited the country for the first time. The whole brought aggregate cash means to the amount of \$3.56,897 49. The arrivals for the same time last year northered, 16,772—making a total for the year of 2.14,437, against 104,643 so far this year. The number of persons now dependent upon the ce in measurers is 804 less than at this date last year.

EF Apara graph has been going the rounds of the powers, to the effect that Najor Delafield, of the United States Army, had visited Schuston of th

NEW ORLEANS, THURSDAY

New Sugar and Molasses.—The steamer New Letons, Captain Gross, servived yeaterday from Wastrion, having one hids, angar and three bids molesses of the new crep; they are from the plantation of T. Boacherans, Esq. of the parties of Ascension, and came consigned to Mesers, Hell, Redd & Co.

Captain Hooper, of the atsumer Dick Keys, reports that the following plantations co the Coast have commenced grieding; viz: Mde.

Vaughin, Iberrille: Grever & Nolan, West Baton Bouge; E. J. Forstail, St. James; Chas. Barlonge, Polate Coapter, Dr. Perkins, East Baton Bouge; C. Dalteres, Lifourche.

LiFThe Exponent of yesterday contains the following letter. It is what English cocks neps would call a "stunner:"

M.E. Extron: The Louisiana Courier once and a while publishes a small itse of withdraw hais from the Know-Nothing Lodges.

When these are are correct, they are in many takes matters of rejoicing, for the party is the content of the strengthen of the strengthen of the former of the Michael of the strengthen of the Martin,—is a thorough a free of the strengthen of the former of the American party, and has sever withfrawn from the article of the parties of the same thing, the Anties circulated a report in Prairie of Coppers of the Coppers of the parties of the same and the content of the parties of the same of the same of the coppers of the parties of the same of the same of the correct of the same o

zeatone Know-Nothing, and does not wish to be misunderstood, he has aert us the following in French:

Editors of the Patriot—I beg you to contradict the false reports put in circulation, relative to my withdrawal, etc. D. P. Sazzar.

Frairie Grea Chewruil.

Ten Know-Nothings, who had been induced to withdraw, in consequence of the erroneous representations made to them by the antice, have, within the less(two days, sent in counterletters annulling this withdrawals, and requesting to be considered as members of the order.

The APPRAY AT THE ST. Nicrolas.—The evidence of Capt. Wright, who was stabbed by Dean, was taken on Seturiay attenued by Joseph, as the St. Nicholas Hotel. The testimony was in effect the same stready given that it onesquence of injurious reports circulated by Dean, Wright determined to cowhide the Art of the class of the testimony Captain Wright was held to ball in \$1,000 to appear and proveduce Dean.

From Earlian and Partimonth.

Baltinones, Oct. 2—The boat of this morning brings the following intelligence: In Northit, so Banday, there were only four deaths, on Sanday seven, and three new cases, and on Monday to 12 M., three deaths.

Mrs. Wm. B. Fergason is dead. Raw. Mrs. Krom. B. Fergason is dead. Raw. Mrs. Law of the following the following deaths of the following deaths.

Fifty four Southern doctors and nurses have left for their homes.

Miss Catherine Redman, matron of the Or-plan's Asymm, is dead.

A first foot Southeria doctors and nurses have piles, or blind piles, or outward piles; het lear in the first bomes.

Miss Catharine Rodman, matron of the Ori phan's Asylem, is dead.

In Portsmouth, on Saturday, there were 13 feaths, and on Sanday. 9 Dre. Cole, of Phila delphia, and Hunter, of New York, are among the dead of Shuday. There have been but few me cases.

The wild and daughter of Chief Justice Tang both died at Old Fount on Sunday. The latter old yield of the fever.
