SALE OF LOTS AT PENSACOLA.

THE Pensacola Land Company having divided a portion of its land into building lots, in anticipation of the increase of population of the city of Pensacola, will offer a portion of them for sale at public auction on Monday 24 of January next

The Rail Road between Pensacola and Columbus in Georgia, being now in progress will be completed under a contract, for the distance of 40 miles, by the 1st of December, 1837. Other contracts will be entered into for the rapid extension of the road towards Columbus and Montgomery. On completion of fifty-one miles of the road, it is estimated, that at least 30,000 bales of cotton will be drawn from Montgomery, Conecuh, Butler, part of Montgomery, Pike, Covington, and Dale counties in Alabama. The completion of the whole line of Rail Road to Columbus and Montgomery, will exhibit a rich and fertile country, producing at least 200,000 bales of cotton, tributary to Pensacola, as its most convenient market place.

The surveys of the Road from Pensacola to Blakely, in Alabama, distance 50 miles, have been made and resulted most favorably as to the very great facilities which the intervening country offered for Rail Road improvement. This road will be put under contract, and completed as soon as possible, by which a line of communication will be opened between Pensacola and the waters of the Alabama river.

The Pensacola Land Company and the Pensacola Association are composed of gentlemen residing at Philadelphia, New York, and Pensacola, of respectability, intelligence and large capital, who are determined to make Pensacola what nature seems to have designed it to be, a great Commercial Mart, by connecting it with the rich regions of Alabama and Georgia.

The Rail road is now in progress and to be commenced, opening lines of inter communication cannot fail to prove most favorable to the interests of Pensacola, and to offer great inducements to persons of small means as well as large capitalists to make good investments.

The Pensacola Land Company have delayed offering any portion of their Lots for sale in Pensacola, until they were assured of the actual commencement and progress of the great works of improvements which could alone make their property valuable. The increase in value will be consequent on the progress of the Rail Road improvements towards completion, and of the immense opposition of sales which will be thereby given to the country connected with Pensacola.

The Pensacola Land Company will offer one-fourth part of their Lots in Pensacola, in December next, on the most liberal terms, pledging themselves that the sales shall be without reserve and bona fide. The sale to take place in Pensacola.

Mr. Editor.—I should consider it a favor if you would insert the following in your valuable paper:—

On Sunday, the 18th inst. the individuals hereafter named, were at my request arrested on suspicion of having committed a robbery in a Tavern, at the corner of Conde and St. Anne sts., M. M. Fernando Coronado, Fernando Ximenes, Antonio Castellanos, Bernardo Paris. I now declare to the public, that these gentlemen, had no participation in the above robbery, which was the cause of several persons being arrested; and their apprehension originated in a mistake. I think it due to the good character which these gentlemen have always enjoyed in the city, to make this statement.
