THE DAILY BEE. OFFICIAL FOURNAL OF THE STATE.

Priday Morning, Nov. 19, 1859.

the holters to reconsider their opiaions and to continue to act with the mass of the party, were, for the most party, freitless. Many went holdly over to the centry, prefering Gen. PIERE, to use their own language, as a choice of evils. Others, seeing that a golden opportunity exist and for carrying long harbored projects of tengineration to side with the miprity, having more reliable on uprofitable minorities. These were obvious causes, which militated power-tilly in favor of the Democratic candidate. There were others, less perceptible, but even more potent in their influence.

There were handed and Whigs everywhere,

Arrival of the Beniel Webster.

We received yesterday our files of San France papers by the Philadelphia and Danie

with poisoning the Indian, Frank Brewer. He was granted a new trial, and certain dialouses were subsequently make, tending to prove his moncence, a node prospes was entered in his case. A previous conviction took place in the autumn of 1849, before Alcalde Geary, and the prisoner. A Frenchman, was sentened to be imag. An appeal was taken, however, and about a year afterward, the Supreme Court set aside the whole proceedings as irregular. The punishment prescribed for this offence, ander the statute, is death.

LIGHTING THE CITY WITH GAS.—Some time signs a contract was drawn up between the city authorities and Mr. James Domaine, according to which Mr. D. was furnished facilities for lighting San Francisco with gas. The work is progressing finely. The apparation franking the tribute the gas through the city, is in processing extending the city, is in processing the street. The site for the gas housed in processing construction at Mr. Donahue's houndary on First 1 street. The site for the gas house has not yet been tixed upon.

Mr. Donahue has politely shown as a model of the control of the co

PRIC.—Everything betokens entire tranquility in Peru. There is some talk about the Lotoba Islands, but it does not amount to much.
The Charge d'Affaires of the United States

We do not remember when our feelings were more touched with an account of a catastrophe, than on listoning, a few days since, to the relation of the circumstance of Mr John Williams, of Covington townstilp, in sinc county, make this in.

the relation of the circumstance of Mr John Williams, of Covington townstile, in this county, mistaking his son for a deer, and shooting him, on the 11th inst. Mr. Williams left his hower in company with Mr. James Parry, for the perpose of shewing him the way through the twoods to a point for which Mr. Parry had started, and took with him a loaded gou. After going about 400 yards from his house, he thought he new after, and taking close aim, fixed. His horrowing the control of the

been pretty much the same there as cleave here.

There are a few Abolitomists in San Francisco. On the evening of the 16th October, they were to hold their Convention for the normal matton of elections, for the support of John P. Hale, for the Prendency.

A Spaniard named Jose Forti, has been convicted in the District Court, of the morder of a Mexican, about a month since, in Plenant Valley, This is the second conviction for this of fewer, that has yet been had in San Francisco, since the establishment of our courts. The formal recase was that of Richard Hall, classed with poisoning the Indian, Francisco the support of the present of the Court, of the morder of a Mexican, about a month since, in Plenant Valley, and the second of the court, of the morder of a fewer, that has yet been had in San Francisco, since the establishment of our courts. The formal recase was that of Richard Hall, classed with poisoning the Indian, Francisco the support of the present the second of the present the prese
