Galvanic Rings, Belts, Bands, and Magnetic Fluid.

THE proofs of the wonderful power of these articles are very numerous, and are daily accumulating. It is believed that in the city of New York alone, upwards of EIGHT THOUSAND PERSONS, during a period of less than a year, have been entirely relieved of the most painful chronic disorders, some of which have completely baffled all former efforts of medical art. The following certificates from highly respectable persons are selected from a large number of a similar character:

EPILEPSY AND PALPITATION OF THE HEART.

☞ Rev. John Bristed, son-in law of Mr. John Jacob Astor, of New York, Minister of the Episcopal Church at Bristol, R. I. residing in Main street, has long been subject to distressing attacks of Epilepsy, often falling down insensible. The disease has been accompanied with violent Palpitation of the Heart and a rush of blood to the head. For three weeks he has been unable to preach or attend to his other duties. Mr. Bristed has found the most valuable benefit from the Rings, Bands and Fluid, is better in every respect than he has been since his illness, and is now rapidly recovering his health. All symptoms of Epilepsy have left him.

RHEUMATIC GOUT.

To Dr. CHRISTIE.—Sir—After a fair trial of almost everything without any good effect, I think I must attribute a remarkable cure to the power of your Galvanic and Magnetic articles. If I am not mistaken in the cause, they have very seriously relieved me of Rheumatic Gout, of long standing, together with general nervous debility of the system.

MRS. MARY JACKSON,
109 Bank st, New York.

☞ Mrs. Jackson is a relative of Major M. M. Noah, who certifies to the truth of the foregoing statement

APOPLEXY AND PARALYSIS.

☞ Captain Andrew J. F. Tomes, residing at No. 70 Bridge street, Brooklyn, L. I, is in his 76th year. He has generally enjoyed robust health, but about 3 years since it began to fail. He was slowly recovering, under the prescriptions of Dr. John W. Francis, when he suddenly fell down insensible in the street, under a severe Apoplectic fit. On recovery he noticed that a portion of his side was apparently dead; and on further examination his physicians pronounced his case to be that of combined Apoplexy and Paralysis. The family of Capt. Tomes were induced to try the Galvanic Rings and Magnetic Fluid, and the first application procured a pair of the Rings for the hands, a pair of Bands for the limbs, and one bottle of the Fluid. In twenty-four hours after using these articles feeling was perceptible in the paralyzed parts, and perspiration broke out. *In five days he was enabled to raise his arm and use his hand, and in three weeks he was enabled to walk about.* A perfect cure in only six months has now elapsed, during which time no symptom of Apoplexy has been apparent, he is enabled to take regular exercise and all his impaired faculties have been restored.

☞ The public are respectfully cautioned to beware of SPURIOUS IMITATIONS of these articles. Dr. CHRISTIE has but one authorized Agent in each city of the United States, corner of St. Charles and Canal streets, are the sole Agents for New Orleans, of whom alone the genuine articles can be obtained.

TESTIMONY FROM FRANCE & PRUSSIA
TO THE MERITS OF
SANDS' SARSAPARILLA.

The fame of this preparation is not confined to the limits of our own country, but by its powerful agency in arresting and curing disease, has won its way successfully into different countries in Europe, as the following unsolicited testimonials from individuals of the highest respectability show in the most conclusive and satisfactory manner. The same happy success has attended its use there, which has always marked its career wherever adopted, and disease has yielded to its health restoring influence which Medical Men of profound skill had pronounced incurable. The most potent simples of the vegetable kingdom are united in this preparation, and the combination is such that one medicine aids and improves the other, and under the name of Sands' Sarsaparilla is presented a concentrated, differing entirely in its character and properties from any other preparation, and unrivaled in its operation on the system when laboring under disease. Its approval by Physicians and men of Science, and the uniform success which has marked its use, furnishes proof sufficient to convince every candid and discerning mind of its great superiority and value.
