The writ of habeas corpus, in the case of the young Marie Leduc, came up for discussion yesterday before the innuroble Second District Court. Madame Landreaux made an answer to the petition of Mr. Lomine, who claimed the little girl as his ward. She pleaded at first a dilatory exception, sileging that as her husband was living, she could not be sued without his being made a party to the soit. The court decided that this plea could only be simulated, if

about \$100 in gold and sunder wearing apparely were stolen therefrom. Mr. Kunaz lighter stated that he really believed the rothery to have been committed by one Louis Gustfield. A warrant having been issued, Gustfield was forthwirth agreated. His case is fixed for trialtofday, Margaret Riby was arrested on a charge of having entered the premises of Mr. Mathew Murdock, and broken open a deak containing rixty dollars, which sum was stolen. She will be examined whettly.
