LIGHTS UP DARK PLACES
New Illuminating Panel Was Adv

During the recent extended vacation

to the West Coast, there were no

number of sophisticated and exquisitely

decorative objects from the Orient, which

are normally on display in the store, but which

are not open to public view. The new location

provides an opportunity for the public to

visit and appreciate these fantastic works

of art, which are sure to delight and amaze

those who have the chance to see them.

DOUGHERTY IS NEAR END

The death of M. Louis Depuy,

who had been a prominent figure

in the fashion industry for many

years, has caused a great deal of

sadness and grief among his
colleagues and friends. He will be

missed by all who knew him, and his

memory will live on through the

memories of those who were blessed

with the opportunity to work with

him.

COINERAL IS NEAR END

Cover Reap by lassic Youth Get

Good.

Paul McFarlane has won the

first prize in the recent

DIAGRAM contest, with his

diagram being selected as the

best overall entry. The contest

was open to all students in the

grade, and his diagram was

judged to be the most creative

and original. He will be

presented with a prize and a

certificate of recognition for his

outstanding achievement.

COLD STORAGE AS RESERVOIR

Firm of Large Firms Has

Reserve of Food.

A large firm in the food industry

has set up a cold storage facility

as a reserve for times of emergency.

This move is seen as a wise

investment, as it allows the firm to

ensure that it has a steady supply

of food available, even in times of

crisis.

FEET CAUSE OF NERVOUSNESS

Standing and Body Make Groom

An article in the journal of

nervous disorders published last

week has suggested that standing

and posture can have a significant

impact on nervousness. The study,

published in the Journal of Nervous

Disorders, found that people who

stand for long periods of time are

more likely to experience nervous

symptoms than those who remain

seated for extended periods.

NEWER MEDICINES FOR TRAVELERS

Newer medications have been

developed to help travelers

manage the symptoms of travel

sickness, such as motion sickness

and jet lag. These medications

are designed to provide relief

from the discomforts associated

with travel, allowing travelers to

enjoy their trips more fully.

NEW TROPHIES FOR EXPLORERS

New trophies have been

established to recognize the

achievements of explorers.

These trophies are intended to

honor those who have made

significant contributions to the

field of exploration, and will

be awarded to individuals or

teams who have achieved

notable successes in their

exploratory endeavors.
