ried the ultra-revolutionary stirit to the highest pitch, are possed with proclamations consonant with the new order of things, and indicative of loy 'ty and attachment to the new sovereign.

The alliance of king Leopold with MARII, the second daughter of Louis Philippe, is a settled affair; the auptials will probably be solemnised during the present year.

The Arabs and Bedouins of the desert made an attack on the French troops returning from Medeah. The following are the details of the loss sustained by the French and supplied by Gen. Berthezere, Wounded, 196; killed, 5: missing, 8. Forty tribes attacked the five thousand men which composed the expedition, to the number, of twelve thousand men. In the compat of the 2d of July, in the plain of Occara, the Arabs lost 300 men, of which 45 were killed; their total loss is of several thousands.

French papers up to the 29th of July been received at the office of the London Gabe. The Chamber of Peers, at the opening of the first sitting presented on entirely new, and truly imposing appearance. The Austrian standards, bearing the cognizance of the Germanic Empire, the double-headed eagle, and the cipher of Francis 11, were testefully grouped on the platform. The standards are the iden tical ones sent by Napoleon to the senate after the capitulation of Ulm. in 1805. The Marquis of Semenonville, who had been the depositary of those sacred pledges, explained in a very eloquent speech, addressed to the Peers, the manner in which he had eluded for seventeen years, the perquisitions of the preceeding dymasty. This novel and unexpected exhibition called up the most lively sensations among all present.

Reur admiral Baron Roussin has forwarded will be amply sufficient, he prefers raising it aan official report to the Minister of Marine on the expedition against Lisbon. The action commenced at half-past-one on the 11th and in three hours and a half all the bitteries of the bour. The ships are almost constantly em-Guilet were passed. The Baron summoned the place and the Portaguese government consented to give all the satisfaction France demanded. The demands are as follows: 1st. The destintion of the superintendant General of Police. 2d. The revision of all sentences pronounced against Frenchinen for political opinions, 31. An indemnity of 800,000 francs for the expenses of the present expedition. 4th. The insertion in the Gazette, of the French demands, and the acceptance thereof by the Portuguese government, together with placards containing those facts to be posted on the corners of the streets practised, and the officers chiefly young men.through which Bonhomme was flagellated.
