

British Councils International School Awards

Kendriya Vidyalaya Aliganj has been nominated for the British Councils International School Awards which involves year long projects running under different heads and Project Leaders. More than 1500 students and 20 teachers approximately are handling different types of activities under 9 different projects like Travel & Tourism, Status Of old people, Human Resource Development, Every Drop Counts, History of Clothing etc . The activities involve multifarious tasks like PowerPoint Presentations, Scrapbook, Models, Quizzes, Interviews, School Level Exhibitions and Poster making along with Charts. A few of the projects have links with other schools and colleges for giving it a wider dimension. As a whole the quantum of work and the quality of projects is praise worthy and the school is taking the task quite seriously, enthusiastically with an aim to get the Award.
