Agenda

- Teamname
- Teamleader
- Distribution of tasks

Elaboration

- We have a nine team member, Victor Tamarit. It's a English-language student. We introduced him with the way of working and or assignment.
- This was the first meeting with are coach. He had some comments on are Gantt chart. We must spend more time in the calculation of the gears and a little bit less on the education task.
- He also tell us about the race track. It will have a rubber surface and a guiding line.
