Faria Aug. 18.—A corps at Chalons, con siating of new levics, is being rapidly or ganised by tien. Trochu. A new corps i forming at Paris under tien. Vendez. rming at rais under ten, vender.

Paris, Aug. 13.—The city is full of remits, who come in from the department.

Additional orders have been imper alling the trans-those departments not embrace-vious calls.

Prussian spics swarm in the French capitot. The police are busily engaged in searching for them. Many have already Rivel proscriptions.

The French claim that Strasbourg is thoroughly prepared for a siege. On the ramparts the garrison consists of 11,000 men, without counting the National

an early age in Algiers, and distinguished himself there as a cavalry officer. On September 4th, 1836, he was made chief of a squadrou of horse; on the 7th of May, 1845, itemtenant-colonel; and on the 2d of August, 1845, colonel of the Second Chasseurs. He became general of brigade on the 2st of September, 1851, and commanded the division of Tienneen; general of division after the 28th of September, 1855, he commanded the division of Constantine. Recalled to Francel he was but at the head of the Twenty-flips military division during the siege of Limogras. The year 1960 was marked in the life of feweral Consin-Montanban by one of the year 1960 was marked in the life of feweral Consin-Montanban by one of the French expedition into China, he had the honor of accomplishing that almost fabulous invasion, which brought the arms and banners of the French and English even to the capital of this vast and distant empire. The capture of the forts of Lakou at the mouth of the Peiho, on the 39th of August, the great victory of Palisho over Gen. Sang-ko-hiosim, on the 18th of Cetober, forces the Chinase ta account, at a control the account of the control of the capture of the forts of the control of the capture of the forts of Canona and the control of the capture of the forts of Canona and the capital of the sand section, at the entry into Pekin on the 18th of October, forces the Chinase ta account, at a capital of the capital of the sand section, at the entry into Pekin on the 18th of October, forces the Chinase ta account, at a capital of the capital of the sand section, at the entry into Pekin on the 18th of October, forces the Chinase ta account of the sand section, at the capital of the sand section, at and section of the sand section of the sa men, without counting the National Guard.

Guard.

The John Bull, a weekly newspaper, says the friends of Napoleon urge him to seek an alliance with Austria by offering to the Emperor, Francia Joseph, all territory which may be acquired from Prussia by their united arms.

Metz. Aug. 13.—Gen. de Failly. was directed to move on Limback, but by a telegraphic blunder, he moved on Kansback, sence McMahon's supports failed.

Metz. Aug. 18.—Evening.—A body of Prussian triops adtacked Gen. Fromand on the Partie and Strasbourg railway thin normains, but were driven off.

The enemy acouriers and a small body of sexuity have penetrated far into the country, but the stall army is not moving.
