THE MARKETING OF PRODUCE

The increase in the consumption of peanuts and the demand for them in the market have brought about a certain degree of scarcity in the supply of this product. The prices have consequently gone up, and this has been reflected in the retail markets. The demand for peanuts is expected to continue as the season progresses.

DEMOCRATIC LEADERS IN ANTI-TRUST RALLY

The Democratic leaders have taken a strong stand in favor of antitrust legislation. They believe that this legislation is necessary to protect the interests of the consumers and to prevent monopolies from gaining undue power and influence.
