ATTACHED BY WOUNDED DEER

A correspondent of the New York World, at Memphis, writes: The deep-seated man who was so seriously wounded by a deer at Straight Creek, near Martha's Branch, is making a steady and encouraging recovery. He was shot by a deer at about 11 o'clock last Sunday morning, and although he was badly wounded, he was able to shoot back and kill the deer. He is now lying in the hospital with his wounds dressed, and is expected to make a complete recovery.

ESTIMATES FOR NAVY

To Aggregate $40,000,000 for Fiscal Year Ending June 30, 1900.

The largest expenditures for the fiscal year ending June 30, 1900, is that of the Navy Department, which will amount to $40,000,000.
