THINGS CAME HIS WAY.

A CROOKED GHOST.

By Amos Israel.

The following is the story of a man who was a crook, but who has straightened out.

The man was named John Doe, and he was born in the State of New York.

John Doe was a crook, and he lived in a town called Crookedville.

Once, John Doe was caught by the police and sent to prison.

But John Doe was determined to straighten out.

He studied hard in prison, and when he was released, he was a changed man.

John Doe got a job at a bank, and he worked very hard.

In time, John Doe became a successful businessman.

And so, the story of John Doe shows that it is possible to straighten out, even if one is a crook.
