NOTE:
   Your Proclamation declaring April as Cancer
   Control Month, 1969 is being released today.
NOTEWORTHY FACTS:

--- the outlook for cancer control is more encouraging than ever before

--- 1,500,000 Americans have been cured of cancer

--- 1 out of every 3 persons developing the disease is being saved. (When you were in Congress, the rate was only 1 out of every 4).

--- The rate could be 1 out of 2, if people had regular checkups. (100,000 people die annually, because they ignore the disease and its signs).

--- 46% of women have annual checkups, but only 13% of men.

--- Elmer Bobst's creative leadership in behalf of the Society among concerned members of the business community is highly praised by Dr. Farber

--- the slogan is "Help Yourself with a Checkup and Others with a Check"

It is estimated that the ceremony will be of approximately 10 minutes duration at the conclusion of which you and Mrs. Nixon will be escorted back to your office.

NOTE:
There will be full press coverage and suggested remarks have been prepared.
