FRENCH BY BIG TRANSFER

Germans Remove 800,000 Men From Russian Front—Russ War Minister Resigns—British Hold Ground

By International News Service.

London, May 15.—In a famous speech, Mr. Chiang Kai-shek, the Chinese Nationalist war minister, today announced that he is resigning, effective immediately. He said that he believes he has accomplished his task and is ready to step down.

The speech was broadcast over the radio and has been widely reported in the press.

The French have become increasingly concerned about the situation on the Western Front, where they are facing a strong German offensive. The British, on the other hand, have held firm and are expected to continue their defensive strategy.

The situation in the East has also been tense, with Japan continuing to expand its influence in China.

Censorship and Prohibition Articles are Throwed Out When Senate Passes Bill—Blow Comes Unexpectedly

WASHINGTON, May 15.—The Senate today passed a bill that would prohibit the sale of certain articles deemed to be obscene or offensive. The bill was introduced by Senator John Doe and was supported by a majority of the Senate.

The bill would make it illegal to transport or sell any article that is deemed to be obscene, lewd, lascivious, or otherwise offensive. The bill would also make it illegal to possess such articles.

The bill was opposed by many members of the Senate, who argued that it would violate the First Amendment rights of free speech and press.

The bill was passed by a vote of 53 to 47, with 10 members of the Senate abstaining.

BETRAYED CITY COMMISSION ACCEPTS STOCK COMPOUND. BY SUGGESTION ONE IN 4 TO BE COMMISSIONED

BETRAYED CITY COMMISSION ACCEPTS STOCK COMPOUND. BY SUGGESTION ONE IN 4 TO BE COMMISSIONED

WASHINGTON, May 15.—The city of New York has accepted a $10 million stock compound by suggestion, one in four to be commissioned.

The compound was offered by the city’s finance committee and was accepted by the city commission, which had the power of appointment.

The city’s finance committee, headed by John Doe, recommended the acceptance of the compound, which was designed to provide housing for the city’s poor.

The compound consists of 10 buildings, each containing 100 units of housing. The buildings are located in the city’s northwestern section.

The compound was praised by the city’s mayor, who said it would be a significant step in providing housing for the city’s poor.

WASHINGTON, May 15.—In a final effort to avoid further governmental restrictions on the sale of grain, the Federal Reserve Bank today announced that it will no longer purchase grain from commercial sources.

The announcement was made by Mr. John Doe, chairman of the Federal Reserve Bank.

The move is expected to have a significant impact on the grain market, as the Federal Reserve Bank is one of the largest purchasers of grain in the country.

The announcement comes as the United States is facing a serious shortage of grain, with many farmers unable to harvest enough to meet their own needs.

WASHINGTON, May 15.—The city of New York has announced plans to build a new public library in the city’s central business district.

The library will be located on a site that is currently used for parking. The new library will contain 300,000 volumes and will be open to the public.

The city’s mayor, John Doe, said the library would be a significant step in providing access to information for the city’s residents.

The library will be designed by architect John Doe and is expected to be completed in two years.
