# Wiki Loves Monuments

- Wiki Loves Monuments is an international photo contest around cultural heritage monuments in September. Starting from the Netherlands in 2010 and organized on a European level in 2011, we go global in 2012!
- Everybody can participate and improve Wikipedia in their local and regional neighbourhood. Cultural heritage is everywhere around you, you just need to

- No UK contest in 2011
- If we are to do in 2012, we need a volunteer project leader very urgently
