for England.

The price of produce was rising. Doubloons, which were \$260, had risen to \$885, and would probably go higher.

We make the following extracts from the Packet:

We make the following extracts from the Packet.

[From the British Packet, Sept. 19.]

On the 7th inst., Mr. Hood miled again from this port, in H. B. M.'s secamer Alecton, for Montevideo, and arrived there on the 8th. We shall probably learn in a few days the result of the honorable genterm as few days the result of the honorable genterm in the important objects of the mission.

[From the Buenos Ayres Packet, Sept. 3]

On the 31st ult., at 5 A. M., H. B. M.'s steamer Alecto anchored in the outer roads, bringing passenger Thomas Samuel Hood, Eq. At half past 10, the honorable gentleman came on above with his son.—

He had been on the 39th with President Oribe, and from the Buceo came direct to this port. "As soon," asys the Gaosta, "as the important affairs of the mission with which he is entrasted, in connection with the pacification of the Rio de is Plata, shall, from their final issue, case to have the character of becoming reserve which up to the present has been kept, as well by the government as by Mr. Hood, the fishing opportunity will have arrived to acquaint the public with them, as we shall have the granification of the ring."

The native inhabitants of Membardeo, niter hav-

The native inhabitants of Montarideo, after having been so long pent up within the walks of that city, were allowed for two or three days the pleasure of freely communicating with their friends outside. But, apprehensive lest from the effects of that intercourse, the might walks again fine morning and

sensible to these evidences of the popular heart and senable to these evidences of the popular means and mind. No wretched patched up apologies will extenuate their discomfiture; no held disjointed chatter about combinations and confitience will explain their applications.

iotal rout and ruin; no flimsy and futile stuff con-

ont, they must abandon these insufficient and shal-

ow pleas which indeed, pass current with no body,

and only expose the fortorn and hopeless state of the

ed. It is the sheerest folly to look for explanations beyond the general character, objects and tendencies

The following are the latest and most authentic re turns of the vote for Governor. They have been carefully collected by the New York Tribuser, and will not vary a thousand from the official result. They comprise every county in the State:

MAJORITIES FOR GOVERNOR,

Corrected in conformaly with the Latest Rep the heart to count up their losses. First New-Hampshire, that, through chaoces and changes had clusts
unfaiteringly to Locofocesism, repudiated an union of
twenty years standing and teak her place in the white
ranks. Then Masse, hardly less staunch and inithful,
sleng Locofocotsm to the winds. Next followed in
rapid succession Florida and Georgia; Maryland and
Ohio: then came Pennsylvania with her terrife rebuke to the administration for the shameless fraud
by which the honset and credulous yeomanry were
misled in 1844, and last comes the Empire State
Eric. Erie, Emex, Fulton and Ham, Queens, Richtmoni Rockland Struben, Saffolk, Searca, St. Lawre where the whige in the teeth of every obstacle to success, contending against the most powerful and popular man in the State, divided in a measure by their own dissentions, have nevertheless achieved a signal victory and overthrown the serried cohorts of Locoissun.

Is it possible that such results can be lost upon the Monroe, Madison, Namera. Tioga, Warren, Yatos, Total.

corning abolitionism and anti-rentism will avail them now. Unless they can prove that anti-slavery is as potentin Georgia and Florida as in Maine and Ver-Total, 25,255 .- The following list of Congi cleated appears to be very nearly addition.

CONGRESSMEN ELECTRO party.

Local causes might explain a reverse here and there—an exception marked and singular, to a series of triumphs elsewhere. But no local cause can adequately account for the universal and overwhelming defeats which the administration party have sustained. It is the sheepest followed for explanations.

Districts.

Young Africa" in Boston, has found another

can didate to run against Mr. Winthrop, in the person of Dr. Howe. In the 19th district reported whig, there is yet a one doubt. The general impression scores to be that the

doubt. The general impression scores to be that the Congressional delegation will stand Whigs, 32; Locas, 6; Old Henkess and Turiff Democrats, 2. In the present the whige have but 9 members—they have consequently gained FOURTEEN, making a difference of THERMON. PROCEET.

Of these twenty-rour nous over, manners sugmeet a re-cos, five whigh and one native. Of the eight electric, the whigh have chosen five or six. There will be a ocofoco majority of ten or twelve in that body. T he frome or representatives consisted last year of fift y-two whigs and seventy six fecos. This way the wisi gs have elected thus far sixty-five, the locos, forty and the ami-renters, ten. Of the latter, one-half at lea st are whigs. There seems no reason to doubt a wit a majority of about sixteen, and consequently a majority on joint ballet.

The fate of the Lieutenant Govern ain. Mr. Gardina, the location nominee, was the annidate of the anti-renters, and has consequently polled a very heavy vote in Albany and the adjacer of the whig strength. The probabilities are, however, in favor of the election of Garnessus.

It is not yet known whether the New Constitution.

It is not yet known whether the New Constitution be accepted or rejected. New York city gives 16,000 majority against it. Negro suffrage is lost by an isnuscinense majority. Both parties seem to have smised in voting it down. So much for the fitney falsehoods of pint respecting the abolition tendensies of the

vhigs.

Of the Canal Commissions it is probable that whig and one loop are elected, they having rece sived the entire vote of the anti-routers. But this is still uncertain—all that is assertained positively is the z the whigs have elected their Governor by 10,000 ms jori ty, and have a large majority of the Congressi on elegation, and a majority in the House of Repre sen

NEW JERSEY.

It is unnecessary to give details. The State is thoroughly Wim. Of the five members of Congress, but one is a location and he is re-cleated by a greatly reduced majority. Last year the whig majority in the Legislature was but eight; this year it is there eight—
Legislature was but eight; this year it is there eight—
the popular majority is between three and four thousand—larger far than New ersey has ever given before.

MICHIGAN. The following communicated to the New York Tribune, comprises all we have in relation to Michigan. We can hardly credit. Michigan we did sur-render to locofocoism. We thought that Mr. Polk might yet retain a foot-hold there, as in Illinois and

City Intelligence. GERERAL COUNCIL.—This body met on Saturday evening, Mr. Dimond in the Chair.

Mr. Wilder, Chairman of the Cornasistee on Police, submitting an ordinable abolishing, from and alter the daylof its promaligation, the game of Keno or Loto, and all other sambbing establishments within the city of New Orleans.

Mr. Wilder, remarked that gambling was prohibited in the Third. Justice required that every portion of the city should be placed, on that every portion of the city should be placed, on that score, upon an equal looding. He asked for a dispensation of the rike.

Mr. Palfrey connected this content of the city of

First District Course. But little was done in that Cours on Saturday. George Rosbam was tried for larceny, found guilty and recommended to the mereys of the Court. George Hannah and Mary Johnson, sharped with larcenyy, and Samuel Watts, with forgery, were arraigned and plended not guilty Attackments were issued against all absent jurious. Judge McHelly seems determined, by rigidly reaching the ordinary times, to compel the attendance of all those who are bound to appear in Court, either as witnesses or jarous.

Abraham Carlisle was brought yesterday be-fore Mesore Recorder Genous, charged with having transported out of the State, in violation of law, a mortgaged days, with intent to defraud Mr. Sewel T. Taylor. Examination postponed shortly.

Accident caused by Interpretance.—A tierman, whose name we could not saccriain, whilst persambulating the streets yesterday in a state of complete drunkenness, fell heavily upon a cerb stone, at the corner of St. Peter and Royal streets, and received such a swere wound on the fiead, that he was numediately drenched in blood. He was conveyed to his house in an alarming state.

THE EMPERIZERY Cay Recorder Buldwin commenced on Setarday morning last, an isometime too in the case of Duan, charged with embershesson by Mr. Wheaton, last Collector of the Taxes on Drays and Carrages, for the Second Municipality—The accused was formerly the Deputy of Mr. Whenton. Several witnesses were examined, after which the case was continued to next week. Measure Bunt and Michel, appeared for the prosecution; Measure Larus and C. K. Johnson, for the accused.

On Koondom of Koondom!
Your end it will soun course.
Thus rhapsolines the post of the Course. He has availed himself to the utmost of the leerner slicwed the irritabile genus, and has consequently inferred from the fact that the Whigs are waking up every where, that they must soon go to sleep. We don't wonder that Locofocoism is all bewildered now-a-days, and

e expected. the acheoner Mary, a file of Victoria and Matagorda papers; but they are literally destinate of news. Mr. Alemoniae Ganner (nor Gainnice

periahed, not by being attacked by a fish white wad ing after a duck which he had shot, but to have been ized with eramp, and to have sunk before assistance

So mys the November number of the Democrati Review in its "Political Portrait with Pen and Pen-cil" of Silas Wright of New York. There is many a stip between the cup and the lip, observes the Phil North American. Sitas Waspirr, the Democrate Norm American. Silas vensuit, the Democratic candidate for Governor in defeated, and Addison Gardiners, the democratic candidate for Lieutenani Sovernor is elected. From this we infer that the New York "Cato" is not "Addison's Cato " It has also suggested itself to us, that New York democrars think with Henry Clay, it is preferable "to be Wright than be President," and like Pauline in the Lady of yons, prefer the "Gardner's Son" to the "crown

be Bourbon lost."

the Bourbon lost."

VERY STORMY WEATHER prevailed at Norfolk on the 6th and 6th instants. The Beacon, of the 7th says:

The steamer Jenses, which left here on Wednesday afternoon, with the mail for fibritimore, put back in consequence of the weather; and the Georgie, which came down from Baltimore on Thurnday, is also detained by the seme cause; so that both boats are at this end of the line, and the letters mailed for the North on Wednesday, have not yet been sent on; and (as Banday intervency) we cannot expect to receive any later advices from the North (unless by the way of Richmond) till Tuesday morning, our last direct Northern mail having been received on Thursday morning—omking an interval of five days.

The steamer direct did not leave for Richmond yesterday morning, in consequence of the storm.

The raim Bad fallen increamnty for forty-eight hours a nd the cellary and wharves of the city were com-The ram and mineral movements of the city were con
