Who Among Them is the One Picking Right.

Norwood, Mich., Jan. 24.-A new and unusual type of street car has been put into operation in the city by the Norwood Electric Light and Street Car Co., which has a line running from the business portion of the city to the outskirts.

The car is a combination of street car and electric light, being driven by a motor and containing a number of seats.

The car is equipped with a steam engine and a gasoline engine, and has been in operation for several weeks.

The motive power is derived from the gasoline engine, and the car is said to be a great improvement.

The Norwood Electric Light and Street Car Co. is the owner of the car.
