NUTRITION IN FOOD

Government Will Test Value of Certain Edulents.

Vaccines Who Offer Services Will Be Required to Do Business in Massacre Hall.

Washington — In cooperation with the United States Department of Agriculture and the Office of Civilian Defense, the Government will test the value of certain edulents in the coming weeks. This is part of the Government's effort to ensure that all Americans have access to the best possible nutrition during the war. The department will conduct experiments to determine the effectiveness of these edulents in improving the nutritional status of the population. The tests will be carried out in various locations across the country, and the results will be made public in the coming months. The Government's goal is to ensure that everyone has access to the best possible nutrition, and these edulents will be made available to the public as soon as the tests are completed.

CHINESE BURG MENG CROPS

Starting To Take Root in Allotment Districts.

New York — Chinese burgs, a new crop, are taking root in allotment districts throughout the city. These burgs, which are a type of Chinese cabbage, are becoming popular due to their excellent nutritional properties. The Chinese Government has provided seed to allotment districts in various parts of the city, and these burgs are now growing and producing well. The Chinese Government is encouraging the cultivation of this crop to improve the nutritional status of the population, and these burgs are expected to become an important part of the local diet.

TRAVEL INTO DARKEST CHINA

A lot of food is needed for the soldiers in the army. This is part of the Government's effort to ensure that all Americans have access to the best possible nutrition during the war. The department will conduct experiments to determine the effectiveness of these edulents in improving the nutritional status of the population. The tests will be carried out in various locations across the country, and the results will be made public in the coming months. The Government's goal is to ensure that everyone has access to the best possible nutrition, and these edulents will be made available to the public as soon as the tests are completed.

FEARED TO SEE SAA SAV MAN

BILLY JOE'S MIND NOT ON BIBLE

Unluckily "Billy" Was Too Engaged To Make Sure Army Sergeant Stayed In Church.

BILLY JOE was one of them who follows the flesh too closely. He was one of those who, when the news flashed on the morning newspaper, seemed to have lost all respect for God and the church and the officers who were responsible for his salvation. He was one of those who, when the call came, seemed to have forgotten the Lord and all that He stands for. But Billy Joe was not one of them. He was one of those who, when the call came, seemed to have remembered the Lord and all that He stands for. He was one of those who, when the call came, seemed to have remembered the Lord and all that He stands for.
